Vol. 17 No. 22

Wednesday, June 1st, 1976.

School District 6 to implement bus charges

Changes in the busing system will be introduced by the St. Albert Protestant Separate School District No. 6 in the 1976/77 school year. These changes will mean that parents will need to pay directly towards the cost of student transportation.

Also, any student may use the bus service on a payment basis as distance will no longer be a factor. These measures have come about as a result of reduced government grants.

Until recently, elementary children living over three-

quarters of a mile from school and secondary children living over a mile and a half were eligible for busing. The new rules laid down by Alberta Education stipulate that busing eligibility will be limited only to those students who live a mile and a half from school. This reduction creates difficulties at the elementary level. The financial grant structure has also been substantially reduced.

Faced with this dilemma, the school board had three alternatives. It could continue the present two-run

system which would place a greater burden on the district taxpayer or it could introduce a three-run system which would require earlier opening and later closing times for schools. The third option was to bring in a two-run system with fare charge and this option was subsequently adopted at the regular board meeting held on Wednesday, May 28th.

Trustees were reluctant to take this move but they felt that the education tax dollar should not subsidize transportation. The three-run system had several disadvantages resulting from early starts and late closures of schools. These were given as disruption of normal family routine and less flexibility.

The selection by the board of the two-run system with fare charge was based on the continuation of acceptable school opening and closing times and the fact that extra burden will not be placed on

Crash damages, \$3,000

No one was injured in a two vehicle collision at 6:45 p.m., May 26th half a mile north of St. Albert on Highway Two.

But nearly \$3,000 damages were sustained by the vehicles, a car and a GMC truck, because of the accident.

A spokesman for the RCMP in St. Albert said Tuesday a car driven by Gary Bokenfor, 17, of St. Albert came out of the west access from a field on Highway Two. The car was pulled into the path of a southbound truck driven by Edward Frisk, 54, of Edmonton.

Bike-a-thon riders John Melville (left), Ronald Harvey teacher, Leo Alain, representing Edmonton Savings and Credit Union, St. Albert Branch; Bill Berry, Vincent J. Maloney teacher, and Christa Childs a Ronald Harvey student who got the highest sponsorship last year, are getting in the spirit of the 35 km. race which will take place on Saturday, starting at 8 a.m. from Lions Park. Melvin will officially open the Fifth Annual Bike-a-thon as well as participate in the race.

The Kinsmen have put up a big, colourful sign pointing the way to this year's Rodeo grounds, located one mile east of Highway #2 on Sturgeon Road. The sign is located at the north-east corner of the intersection of St. Anne Street and Highway #2, a prominent position for visitors coming to the Rodeo.

Major change in Sturgeon land use policy

In a major land use policy change, the MD of Sturgeon has made it easier for people to realize their dream to move out into the country to live.

Not long ago, the only way you could "buy" yourself

into country living was to purchase an 80 acre split section in the MD. This policy is still in effect, but at the regular development meeting of the MD last week it was decided to put three acre parcels on the market to

reduce the pressure on the 80 acre split parcels.

MD Development Officer Gary Brownlee says the MD has never recognized it should create the three acre (alternative parcel), "but by providing this on each quarter, we'll give an alternative to the 80 acre parcel."

About three months ago the MD of Sturgeon put a 90 day freeze on 80 acre splits. Mr. Brownlee said these may have been too big or too small, but (nevertheless) 500 had been created.

One of the other problems created by the 80 acre splits was that too many people were coming out from the city to pick up the cheaper land than in the city but the land was not being used to its full agricultural potential.

Now people will have the option of buying cheaper land with less commitment to developing land for agriculture.

To reduce pressure further on 80 acre splits the MD has also created the option of taking the farmstead out of split acreages, as well as creating the chance of buying new three acre sites.

A MESSAGE FROM THE GAZETTE TO OUR ADVERTISERS

Just a gentle reminder about our deadlines.

At times we are able to accommodate our advertisers and bend the rules by placing advertising after deadline, but we are just a little afraid that come an extremely busy week someone will have to be turned down, and this of course is upsetting to both the business community and to the Gazette. Therefore we are asking you to perhaps jot down the deadline times and post them in a convenient spot to help avoid any disappointments. This of course helps you also, as it makes for a happier staff and as you all know a happy staff means better organization internally and therefore a more polished work.

THE FOLLOWING ARE OUR DEADLINES:

Monday Evenings - 9 p.m. for Display Advertising, preferably earlier if there is a vast amount of make-up etc.

Tuesday 12 noon - For Classified Advertising.

These hours are applicable on a holiday weekend also, therefore if your business is going to be closed on a holiday Monday, please have your advertising in by Friday.

We thank you in advance for your co-operation.

BACHELOR OF EDUCATION

general taxpayers. It gives parents the option of paying for service or providing their own transportation for their children.

It would remove resentment arising from arbitrary eligibility boundaries which might be considered a more democratic approach than the present system.

The motion was introduced by Trustee Don Munro and carried. The fare structure will be as follows in the forthcoming School Year: \$30 a year per student and a family rate of \$20 for a second student and \$10 for a third and No Charge for any other family members. When students are out of their usual attendance areas, the fees may be waived at the discretion of the superintendent.

DISTRICT 6 SCHOOL YEAR

The 1976/77 school year for schools in District No. 6 will comprise 192 instructional days and 199 operational days.

Easter Monday will be dropped as a holiday.

The Christmas vacation will commence on December 24th, 1976 until January 2nd, 1977 inclusive. Schools will re-open on Monday, January 3rd, 1977.

The Fixed Spring Break dates are set at Monday, March 28th until Sunday, April 3rd inclusive.

Summer vacation starts July 1st, 1977 until Monday, September 5th, 1977 inclusive.

Colette (left), Tanne and Debbie Cyr, 28 Burnham Avenue are three very lucky young ladies - they were able to watch some baby chicks hatch. Their father had built an incubator for the eggs Friday, May 7 the first signs of life appeared. The chicks start tapping on the shell and eventually the shell cracks enabling the wee creatures to pop out into their new world.

The tapping process started on Friday and by Saturday morning the first ones had arrived. Sixteen chicks have hatched to date and the last of the bunch isn't too far off. Unfortunately the young fellow wouldn't oblige the Gazette and refused to hatch before the paper went to press.

Paul Kane students display talents

The Fine Arts students at Paul Kane High will be putting their work and talents on display Tuesday, June 1 to Friday, June 4 in the Theatre Arts Room at the school.

As well as being open daily, during school hours, the show will be open to the public, Wednesday, June 2 from 7 p.m. - 9:30 p.m.

A variety of work done by the art students will be on display: drawings, paintings,

weavings, batiks, pottery, prints and sculpture.

Students involved in the music and drama programs will be providing entertainment Wednesday evening and there will be a display of fashions by the clothing and textile students.

WEDNESDAY, JUNE 2 - Paul Kane students will be displaying their talents in the fields of arts and crafts, fashions and music in the Theatre Arts Room at Paul Kane at 7 p.m.

THURSDAY, JUNE 3 - Teen meeting in the Town Hall Annex at 4 p.m. (Ages 13 to 18).

SATURDAY, JUNE 5 - Lions Bike-a-thon, starting from Lions Park at 8 a.m.

SATURDAY-SUNDAY, JUNE 5 - 6 - Namao Farmer's Day Horse Show at the Namao Gymkhana Grounds beginning at 8 a.m.

SUNDAY, JUNE 6 - The St. Albert School of Dancing presents "Pinocchio Plus" at the Jubilee Auditorium - 3 p.m. Adults \$3.00.

SUNDAY, JUNE 6 - The Ladies Auxiliary to the Royal Canadian Legion will be having a tea, bazaar and bake sale at the Legion Hall, St. Albert (across from Grandin Park Shopping Mall).

TUESDAY, JUNE 8 - LaLeche League meets at 172 Grandin Village at 8:30 p.m. For further information phone 458-0123.

TUESDAY, JUNE 8 - St. Albert Cycle Club meets at Grandin Clubhouse at 8 p.m.

WEDNESDAY, JUNE 9 - The regular meeting of the Sturgeon Toastmasters Club will be held as usual in the Paul Kane High School, Cunningham Road. The Club is just about at the close of the season until fall but guests are still welcome to attend, and perhaps give a little thought during the summer months about joining the club. Both men and women are most welcome.

Concern over Lottery extension

The Government of Alberta is concerned about the announcement by the federal government to extend the Olympic Lottery to 1979.

The financial support of the Olympic Games by the people of Alberta through the Olympic Lottery has been most successful. The sale of Olympic lottery tickets was authorized by the Alberta government through an Order in Council, until August 31, 1976 only.

Assurance had been received from the Olympic Lottery Corporation that they would give every support for a national lottery in aid of the Commonwealth Games after the Olympic Games.

While Alberta would have no objection to one more

Olympic Lottery draw after August 31, 1976 to help cover the deficit of the Montreal Olympics, we have no alternative but to be opposed to the plans of extending the Olympic Lottery to 1979, as unilaterally announced by the federal government.

Their unilateral decision, without consultation with the provinces, does not take into account repeated requests by many provincial governments to have the profits of a national lottery, after the Olympic Games, accrue to the provinces directly for amateur sport or cultural development, in proportion to the number of tickets sold in a province.

The Government of Alberta is opposed to Loto

Canada, in its proposed form. We are, however, strongly in favour of at least two national lottery draws in favour of the 1978 Commonwealth Games, as discussed with the Olympic Lottery Corporation.

"And with every bottle you get a free can of mace to help fight 'em off."

Home at last...

Sitting in front of a cozy fireplace, with your feet up, the dishes have been put away in the built-in dishwasher, and you've got nothing to do but sit back and enjoy your luxuriant surroundings, 11,049 square feet of luxury living in a MARLO HOME, with a starting price of \$63,991.00 at an interest rate of 11 1/4%. We even put down a concrete pad for your car.

"What a long wait, but I finally got my new license sticker!" This thought must have crossed the minds of the many people who stood patiently in line to get into the Treasury Branch to purchase their 1976 license tags. The line-ups started to build early last week and continued until yesterday, May 31, the deadline for purchasing the renewal stickers. At times on Friday and Monday the line extended all the way around the Perron Street - St. Anne Street corner, providing a lengthy wait for those who left it to the last minute.

St. Albert artist at art festival

A St. Albert artist, Lynda James, will be one of the 55 or more artists exhibiting in the Uni-Art Festival being held this Saturday in the Edmonton Unitarian Church.

Mrs. James will have about 20 pieces of batik in the exhibition and sale of art work. A very wide range of art work will be available to the public.

About 20 painters in all media, seven potters, three weavers, three sterling silver artisans, two in batik, including Lynda James, four working in separate fields.

Boss: "The best way to solve many of our problems around here is to work real hard."

New office boy: "What's the next best way?"

Bill Birse's wooden toys for children are made with absolutely no metal parts. Pat and Jules Ross's stuffed hand-made dolls also are both safe and delightful.

Admission to the festival is \$1.50 and this includes gourmet fingerfood, tea and coffee, and a chance on two door prizes, one a hand-woven mask, the other a framed painting. Art demonstrations will be given during the day and musical entertainment also will be provided.

The Uni-Art Festival will be held from 11 a.m. to 7 p.m. Saturday, June 5, in the Edmonton Unitarian Church, 12530 - 110 Avenue. Those wishing to procure advance tickets may do so by calling Jeannette Irwin at 459-7443 after 6 p.m.

Town of St. Albert

Town of St. Albert Utilities Department requires an Accounting Clerk 1.

The successful applicant will post water and sewer receivables by hand, review source documents relative to water turn-ons and shut-offs, answer customer enquiries and assist Water Accounts Clerk.

Salary range: \$6,610 - \$8,437 per annum.

Applications quoting Competition #76/46 must be submitted prior to June 11, 1976 to the Personnel Supervisor, Town of St. Albert, Churchill and Grandin, St. Albert, Alberta, T8N 0G2.

St. Albert Safety Council

The St. Albert Safety Council met on Tuesday, May 25th. There was some discussion on the Pedal Pusher program, and a number of suggestions for an improved system of registration were brought forward by Chairman Mrs. Betty Pimblett. It was felt that it should be possible to eliminate a large number of phone calls, which were time

consuming, and much of the travelling around St. Albert, necessitated by late registrations. Organization of the program by the co-ordinators at each location was proceeding satisfactorily.

Information on accident statistics had been received from the Alberta Safety Council. This was circulated and studied by the members. Betty Pimblett reported on

the Alberta Safety Council annual general meeting, which she attended with Secretary-Treasurer Maureen Heuchert on Saturday, May 15th.

Copies of the Branch and committee reports were circulated. It would appear that the St. Albert Safety Council has a program at least as active as the larger branches of Edmonton and Calgary. It was noted that the Calgary branch has a safety program for the very young which might be worthy of investigation for use here. A hallow'en safety program was also felt to be one we should look into for use this year.

In other business, a motion to change the day of the St. Albert Safety Council meeting back to Thursday was approved. Starting in the Fall, meetings will take place on the second and third Thursday of every month. The meeting to finalize the School Bus Brief has been set for Monday, June 7. All interested organizations will be notified.

A complaint was received from the Grandin area about junior high school students

posing a hazard to motorists by deliberately jumping out in front of moving cars. There is nothing the Safety Council can do about this, other than recommend that parents check on the behaviour of ALL their children, not only the youngest. One day, a faster moving car and a slower child will add up to a tragedy.

It was noted once again that motorists are still parking on the west side of Grosvenor Ave. outside Sir George Simpson school, which has for several weeks been posted NO PARKING AT ANY TIME. Can it be that St. Albert residents do not know this International sign? Or do they not care that this change was made in the interest of their children's safety?

The final Safety Council meeting before the summer break will be on Tuesday, June 9th, and will be a short business meeting, followed by a social get-together of all members at the home of the chairman.

The meeting of instructors of the Pedal Pusher program, held on Thursday, May 27 was very well attended.

Norma Hembroff went through the instruction booklet in detail and answered questions and gave advice, based on her own previous experience with the program. The Safety Council is grateful to Norma for her help. Brian Jeffery then demonstrated the points to look for in checking the children's bikes.

Co-ordinators then met with their instructors and gave out the course materials. The St. Albert Safety Council is grateful to all those who have volunteered their time in order that about 300 children can be given the training they so badly need. Approximately 80 people are helping with the program.

SUMMER SAFETY

In June, the emphasis is on outdoor safety, including water safety.

1. Young children playing by the water should be constantly supervised.

2. See that your children learn to swim in a recognized course, such as the Red Cross.

3. All children old enough and all adults, should learn basic life saving techniques.

4. Never allow anyone to swim alone.

5. Learn how to handle a boat before taking one out. Always wear life jackets, no matter how good a swimmer you are.

Organizing a picnic? There are a few points the organizer of a group picnic should check out beforehand.

1. Nearest telephone to the picnic site.

2. Any large body of water nearby? See that children are supervised by a responsible adult at all times.

3. First aid facilities? Have your own First Aid kit available, including treatment for insect bites and stings.

4. If parents do not accompany their children, have information on allergies or possible illness before leaving the home area.

5. If collective eating is planned, make sure all perishable foods are carried in an ice-box.

6. Have firm rules about keeping children away from cooking area.

7. Be prepared with enough planned activities, so that children do not become bored.

Around Town

The Ladies Auxiliary of the Royal Canadian Legion, Branch 271, St. Albert will be holding their third annual Spring tea, bazaar, bake sale and plant sale on Sunday, June 6th, 1976, from 1 p.m. to 4 p.m. at the St. Albert Legion Hall. Raffles and door prizes will also be held.

Young man: "Engrave this 'To Sue from Ed.'"

Jeweller: "Take my advice and just engrave it 'From Ed.'"

Mayor Plain officially opens event

Bike-a-thon riders make final push for sponsors

The fifth annual Lions Bike-a-thon is shaping up to be one of the best ever. There are representatives from the banking community, the schools, the medical professions, and the town administration. Doctors Rousseau, MacDonald, Gray and Boychuk will be riding as well as Leo Alain of the

Edmonton Savings and Credit Union, St. Albert Branch, representing the financial sector of the community. Leo doesn't even have a bike yet but he's as enthusiastic as can be. Even the thought of competing against Fran Beaudoin of the Royal Bank, Lacombe Park Branch hasn't

shattered his confidence.

John Melville of Ronald Harvey has been getting himself in shape for the big day by riding to school in St. Albert from his home in Edmonton everyday (weather permitting), but Bill Berry of Vincent J. Maloney is not letting this get him down. He

has every confidence that he is in good enough shape at present to beat John by a shameful margin. You see, it doesn't matter if you're fast or slow, it is the sponsorship that counts.

And last, but not least, our own Mayor Plain is going to be up and at 'em on

Saturday morning with a hefty list of sponsors to back him in his attack on the course.

A shining, brand-new 5-speed bike is on display in Grandin Mall, a prize which will be won by the student with the highest sponsorship, who rides in the race. Individual trophies will be given to the highest sponsored student in each school. A wall plaque will also be

given to the school with the highest total pledges.

The bike-a-thon gets underway at 8 a.m. on Saturday morning at the Band Shell. Mayor Plain will officially open the event as well as participate in the 35 km. race.

Be sure to be on hand to cheer your favourite rider on to victory.

All proceeds go to community projects.

Rodeo plans progressing well, but more help needed

Rodeo weekend is drawing near, and with at least 1,000 man hours left at the grounds the Kinsmen are really busting about trying to get everything ready for the June 18th opening. There's a lot of work involved in putting on a rodeo and this year the Kinsmen have even more to do since the location of the grounds has changed and basics like electricity, a track and fencing had to be installed.

The new grounds are located one mile east of Highway #2 on Sturgeon Road and things are really starting to shape up out there. The 3,000 seat section of bleachers is now complete,

3,000 feet (3,800 foot total) of frost fence has been set up, the electrical wiring has been completed and the Kinsmen are awaiting approval by Calgary Power, the holding pens arrived and will be put up this weekend as well as the bucking shoots and the announcer's booth.

For those St. Albertians who are unaware of the fact, our Rodeo is the 10th largest outdoor rodeo in Canada. Rodeo Rainmaker 115 is the 12th annual rodeo in the town (consecutive, rain or shine), and celebrates the 15th birthday of Alberta's oldest town, St. Albert. Many residents consider this event as a Kinsmen project

but in actual fact it is a Town Fair, organized and run by the Kinsmen, which operates under the sanction of the Canadian Rodeo Cowboys' Association.

One of the highlights of Rodeo weekend, June 18, 19 and 20, is the parade which is held annually on Saturday morning. The parade gets underway at 10 a.m. from the Grandin Road - Levesseur Road area and proceeds down Grandin Road to Sir Winston Churchill Avenue. From there the parade heads over to Perron Street and goes the entire length of the street and comes to an end at the Perron Street Bridge. Presentations for the winning bands will be made at the Rodeo grounds at 1 p.m.

Are you strong, energetic and able to endure hardship

for the sake of sportsmanship? Then listen to this! The canoe races should be just for you. The competitors start at the Band Shell in Lions Park and carry their canoes through an obstacle course to the river where they launch their craft. From this point they paddle furiously up the river to Big Lake, where they must circle a buoy and then head back down the river to the Perron Street Bridge. Here the canoeists circle another buoy and return to the original launching point. At this point the canoes are hauled out of the water and portaged back to the band shell. Whew! What a course. It should sure separate the men from the boys. If you're interested in participating contact Roger Lemieux at 458-2555.

Canada's largest Agricultural Museum

Prairie steam giants of pioneer days rest in proud retirement at the Manitoba Agricultural Museum in Austin, 85 miles west of Winnipeg.

Among the vintage farm machines on display are ploughs, harrows, hay rakes, reapers and steam threshers and binders.

Most of the equipment was donated by farmers in southern Manitoba, but some came from as far away as Alberta or the American Midwest.

"It's amazing how many people will phone us about machinery," comments museum director Bill Moncur, "they are glad to find a place where one of their favorite pieces of equipment will be well taken care of."

Housed in gigantic, barn-like buildings, the steamers are almost all in working order, and many will take part in the daily parade during the annual Threshermen's Reunion, to be held in late July.

The museum also includes a Homesteader's Village, with buildings such as St. Saviour's Church, the Ayre log school, the Muir log house, Westbourne Post Office, Hykaway Grist mill, the livery barn, blacksmith shop and print shop.

The Austin Museum has excellent facilities for visitors including campgrounds, drinking water, washrooms, a trailer park area, shady picnic grounds, a playground, and an information centre.

Beware-Habitat rhetoric

It may sound a little cynical, but the UN Habitat conference on human settlement now getting underway in Vancouver will probably not achieve much.

There have already been a lot of nice words spoken by Canada's Prime Minister Trudeau, telling the conference and the world that unless people can feel "passionate love" for one another, then things are "going to be terrible."

The conference is hardly likely to have any effect on the problems of transportation, recreation and city status in St. Albert. And by that token, if it cannot solve the smaller problems of the world, Habitat will certainly find the big problems almost impossible to handle.

There is talk that the conference will make moves to guarantee that everyone has fresh clean water the world over, and there are hopes that nuclear powers will take a hint from Habitat and call for a halt in the development of nuclear energy.

Just for the record, no one from St. Albert council went down to the conference; and Mayor Dick Plain had a valid message when he pointed out you wouldn't have much credibility telling a member of the Third World that it costs \$70,000 to buy a house in sunny St. Albert.

Even if the UN conference inspires the world with its words for two weeks, imagine the hassle there will be to get the governments of the world off their bureaucratic duffs, to translate the inspiration into action.

Mother Teresa, a well known Christian in action had some blunt words for Prime Minister Trudeau at the conference. She said basically that words were no use; they had to be translated into action; and it didn't have to be dramatic action. All you had to do was buy the cheapest clothes instead of the most expensive and give the difference to those who needed it.

There is a great deal of irony in the fact that Canada is the host country for Habitat. Canada is one country in the western world where the inequities in the Developing World show themselves in fine relief. You have the astounding contrast of both rich and poor congregating in vast numbers in pollution ridden cities; and the original native population is pushed back largely in a reserve type existence as an afterthought.

Then Canada is in the grip of an energy crisis which means there is more of a chance that native land rights will be trampled on ruthlessly in the rush for dwindling gas and oil resources. There is also much labour unrest because of the anti-inflation board policies.

And just for good measure there is always the French-English "problem" to throw in as an extra. This can foul up airline schedules, call for cries of separation in Quebec, and lead to strain in interpersonal relations - all of this needlessly.

People then should beware of the rhetoric which will flow from UN Habitat and not confuse it with solutions for world problems which are fast getting out of hand.

Canadian Airborne should stay west

I have just learned that the Minister of National Defence has instructed the military authorities to proceed with their original plan to reduce the Canadian Airborne Regiment, and to move it east from Edmonton by the summer of 1977.

The first indication of the reduction and removal of the Regiment was made on December 26, 1975, when General Dextraze, in a speech in Montreal, stated that the Armed Forces structure is being reviewed, and that one of the units considered for disbandment or removal is the First Canadian Airborne Regiment in Edmonton.

I learned of this on January 26, 1976, and brought it to the attention of the members of the Norwood Branch #178, Royal Canadian Legion.

At the monthly meeting on January 28, it was unanimously decided to mount a campaign against the disbandment or removal of the Regiment from Edmonton. We heard that the official announcement by the Minister of National Defence would be made on or about March 23rd.

We circulated petitions

and brought this planned removal to the attention of Provincial and Municipal authorities, other Legion branches, various organizations and to the concerned citizens. In our correspondence with the Prime Minister and the Minister of Defence, we were assured that our concern would be considered.

On March 26th, the Minister of National Defence personally assured Mayor Terry Cavanagh that a study of the situation would be made by a Senior Officer of the Department, and that they would consult with Provincial and Municipal Authorities before making a decision.

In his letter dated April 14, 1976, the Prime Minister assured me that no decision has been made. In his letter dated April 26th, Mr. Richardson stated that he has just submitted his recommendations to the Cabinet and that an official announcement would be forthcoming.

Yet, in spite of all these assurances, I now learn that the original plan in regard to the Airborne Regiment has been put into effect towards the end of April, and all postings to the Regiment

have now been stopped, and the Regiment is to be moved east by the summer of 1977.

As this is a definite breach of good faith with the Mayor, our membership and all concerned citizens, I hereby urge an immediate campaign by the Provincial Government, City of Edmonton, Legion branches, all other organizations, and by all concerned citizens to save the Airborne Regiment and to retain it in Edmonton.

The Prime Minister and the Minister of Defence should be called upon to

make a public announcement as to the plans for the Regiment and not to cloak their actions in secrecy. We need the Airborne Regiment and we want it to remain in Edmonton.

The removal of the unit will have a far reaching social and economic impact on Edmonton, Northern Alberta and the North West Territories. Voice your support of the Regiment now and voice it strongly.

Wm. Chumilur,
President.

Looking Through The Files

THREE YEARS AGO
(JUNE 6TH ISSUE)

If the residents around Salisbury Park wondered what the Crafts Guild were doing in the parking lot on June 2nd, they were not trying to set fire to the Arts Centre. They were taking part in an outdoor firing using an ancient Japanese method called "Raku."

Using this method, glazed pots are heated in an outdoor kiln, and then plunged, first into a reducing agent, such as sawdust, and then into water. The results are quite different from those obtained by regular firing methods. This particular firing was quite successful, and since it was the first for the participants, all were pleased with the results. More Raku firings may be done by the Arts and Crafts Guild if members are interested in the future.

World Saddle Bronc Riding Champion Mel Hyland of Surrey, B.C., is among the cowboys expected to come June 16-17 in the St. Albert Kinsmen Rodeo 112.

Hyland, one of the smallest cowboys on the professional circuit, won the all round cowboy title last March at the Canadian Western Rodeo in Edmonton.

Not only is Hyland holding his own among the top three in two riding events on the current Canadian circuit, he is 13th in the world all round standings with more than \$8,000 won.

Nancy Archibald, assistant supervisor at the swimming pool is back in St. Albert for her third summer, having previously served as a lifeguard and swim instructor. She has been swimming since she was four, including four years competitive with the South Side Club.

The West Sturgeon Agricultural Society are sponsoring a fish derby this weekend at Devil's Lake near Onoway. St. Albert residents can easily reach the fishing hot spot by going five miles north of St. Albert on Highway #2 and 20 miles straight west on a good road. The Saturday and Sunday affair is open to anglers of all ages with an entry fee of \$2.00 per adult and \$1.00 for children under 16.

A few weeks ago a team of Atoms was formed in Legal. This is the first team of minor soccer to be formed in recent years in Legal and we wish the organizers every success in their endeavours.

On Saturday, June 9 the Legal team will visit St. Albert to play an exhibition game with one of the local Atom teams. Kick-off is scheduled for 2:30 p.m. on the Sir George Simpson field.

For the benefit of numerous youth groups, the Alberta All Girls Drum and Bugle Band is sponsoring the first annual "Salute to Youth Extravaganza" at the Jubilee Auditorium June 8 and 9 at 8 p.m.

The two evening performances will include local and visiting drum and bugle bands, massed pipe bands, majorettes, fire batons, Highland and Ukrainian dancing, Indian dancers, Sing Out Edmonton and the Separate School Youth Orchestra, as well as the world famous Alberta All Girls Band junior and senior divisions.

A blazing fire, good food, laughter and fun were the order when the UCW held a barbecue at the home of Dr. and Mrs. Cuts. With each unit of the group taking different aspects of the program, all members were able to enjoy the evening.

Yell for help before you need it

People are always telling us not to cry for help until we need it, but with summer coming on, the Red Cross Water Safety Service says, "Yell to us for help BEFORE you need it!"

June 1 - 7 is National Water Safety Week. The Canadian Red Cross urges you to prepare for the sun-filled, water fun days ahead in the most sensible way: Sign up yourself and family now for courses in swimming or in small craft safety.

Knowing how to swim or swim better, to survive in water accidents, to rescue others and give aid to others in distress in the water makes you a more "drownproof" person.

Knowing how to handle everything from canoes to power boats also adds another dimension to your summer fun while helping reduce overall drowning statistics.

The Red Cross Water Safety Service has information on courses for all ages in every province and community, and will also set up local courses for interested groups. Highly trained and qualified instructors are ready when you're ready, so NOW is the time to yell for help. Be prepared BEFORE you hit the water.

Town of St. Albert

The Town of St. Albert Recreation Department requires a Senior Clerk Typist.

The successful applicant will be required to transcribe dictation of more than average difficulty from a transcribing machine and requires knowledge of proper letter forms. Duties include answering telephone and counter enquiries, program registrations and other clerical duties as assigned. Must have a typing speed of 60 w.p.m. 60 w.p.m. Shorthand an asset.

Salary range: \$7,998 - \$10,208 per annum

Please submit applications quoting competition #76/47 prior to June 8, 1976 to the Personnel Supervisor, Town of St. Albert, Churchill and Grandin, St. Albert, Alberta, T8N 0G2.

What Caught Our Eye

By Gazette Staff Writers

From Western Catholic Reporter "SAINT'S BLOOD STAYS SOLID FOR FIRST TIME [EVER]"

NAPLES, Italy (NC) - For the first time the blood of St. Januarius, Naples' patron saint, has failed to liquify during one of two major annual observances in this southern seaport.

Anxious Neapolitans crowded into the baroque cathedral last month to invoke the saint's pleasure with prayers and preaching but to no avail.

A solid black substance which tests have proved to be human blood remained obstinately coagulated in its flask of murky ancient Roman glass.

As crowds increased to a staggering 5,000 on the eighth and final day of invocations May 9, Cardinal Corrado Ursi, the archbishop of Naples, ordered the flask of blood removed from the small St. Januarius chapel, where it is usually housed, and placed to the side of the cathedral's main altar.

Even this exposure to larger crowds failed to bring the liquification, and the archbishop called off the prayers and replaced the still solid blood in its cupboard.

In the past St. Januarius has always performed his miracle twice a year - on the Saturday preceding the first Sunday in May and on September 19, the anniversary of the saint's, death at the hands of the Emperor Diocletian in 305 AD.

A third annual liquification in December is considered less important and often does not occur. The miracle, which the church acknowledges as a "marvel," has sometimes occurred rather late, but even then it was always within eight days of beginning the ceremonial prayers.

Neapolitan tradition connects even tardiness with disaster for the city. In 1629 the blood failed to liquify on time either in May or September and 60,000 people died of plague shortly afterwards.

In 1940, to cite a more recent case, the blood liquified only incompletely, and that was the year Italy entered the Second World War. Last month, however, for the first time ever, the "marvel" did not occur at all.

Some Neapolitans were tempted to connect the failure with the disastrous earthquake which devastated 22 villages in north-eastern Italy May 6. But the disaster which the absence of the liquification is supposed to portend has always affected Naples itself, not other regions of Italy which until 100 years ago were not even part of the same country.

An extreme opinion of the reason for the failure is that the church has removed the saint from its universal calendar - a demotion - and this is why he can no longer effect the miracle.

From the Barbed Leader: YOU THINK YOU'VE GOT IT TOUGH?

With conditions of employment very much a topic of conversion, a document headed "Office Practices" and dated 1852, found in a building recently demolished makes interesting reading:

Godliness, Cleanliness and Punctuality are necessities of a good business.

This firm has reduced the hours of work, and the Clerical Staff will now only have to be present between the hours of 7 a.m. and 6 p.m. on week-days.

Daily prayers will be held each morning in the Main Office. The Clerical Staff will be present.

Clothing must be of a sober nature. The Clerical Staff will not disport themselves in raiment of bright colours, nor will they wear hose unless in good repair.

Overshoes and top-coats may not be worn in the office, but neck scarves and headwear may be worn in inclement weather.

A stove is provided for the benefit of the Clerical Staff, coal and wood must be kept in the locker. It is recommended that each member of the Clerical Staff bring 4 pounds of coal each day, during cold weather.

No member of the Clerical Staff may leave the room without permission from Mr. Rogers. The calls of nature are permitted, and Clerical Staff may use the garden below the second gate. This area must be kept in good order.

No talking is allowed during business hours.

The craving of tobacco, wines or spirits is a human weakness and, as such, is forbidden to all members of the Clerical Staff.

Now that the hours of business have been drastically reduced the partaking of food is allowed between 11:30 a.m.

THAT'S GOOD DEAR.. NOW MOVE IT AHEAD A LITTLE...

and noon, but work will not, on any account cease.

Members of the Clerical Staff will provide their own pens. A new sharpener is available, on application to Mr. Rogers.

Mr. Rogers will nominate a senior Clerk to be responsible for the cleanliness of the Main Office and the Private Office, and all Boys and Juniors will report to him 40 minutes before Prayers and will remain after closing hours for similar work. Brushes, Brooms, Scrubbers and Soap are provided by the owners.

The New Increased Weekly Wages are as hereunder detailed:

Junior Boys (to 11 years)	15 cents
Boys (to 14 years)	15 cents
Junior Clerks	\$1.05
Senior Clerks (after 15 years with the owners)	\$2.50

The owners recognize the generosity of the new Labour Laws but expect a great rise in output of work to compensate for these near Utopian conditions.

From Commercial Supersonic Air Transport in Alberta RADIATION EFFECTS (IN SUPERSONIC AIR TRAVEL)

This concern primarily relates to the galactic and solar radiation doses received by the passengers or crew at supersonic cruising height. Dousset (1974) contends that doses received at these altitudes are presently not of a different order of magnitude from the doses received in subsonic aircraft or natural radiation at ground level, since cosmic rays are absorbed or reflected in the stratosphere and troposphere and only an insignificant amount reaches the ground. However, Davis (1969) points out that during unusual bursts of cosmic rays, which accompany solar flares or other galactic disturbances, the level of cosmic radiation could conceivably increase the danger to Concorde passengers and crew. This problem is expected to arise one day per year, however, and Concorde will carry instruments to measure both instantaneous dose rates and the radiation build-up during the flight. If radiation levels appear unsafe, the aircraft will likely descend to about 40,000 feet where the atmosphere is sufficient to reduce radiation to acceptable levels.

One must bear in mind though, that should the SST's alter the amount of ultraviolet solar radiation reaching the earth's surface through the ozone layer reduction, radiation effects may present a more serious problem.

From the Globe and Mail Report on Business "YOUR MORNING SMILE"

Wars, rumours of wars, floods, earthquakes, crime, chaos ... if the pessimists aren't happy now, chances are they never will be.

OTTAWA and Small Business

By KENNETH McDONALD

As many as 100,000 Canadian businesses could disappear over the next five years if Canada continues on the British path of expanding government.

Some businesses fail through incompetence and are replaced by others. But far more disappear because high levels of government spending force them to sell out. High government spending works its way through the economy. Everything goes up: wages and salaries, operating costs, taxes and interest rates.

With profitability threatened, owner-managers seek purchasers, while the business is still viable, among larger companies which possess the market strength to pass on the tax wage price spiral.

The circle is complete: high government spending; forced sale of small businesses to larger firms; corporate concentration through merger and acquisition; union concentration to match the corporations. That is the British model. It is inefficient and it leads to a declining standard of living.

The concentration of business in large firms and of people in big cities weakens the rural communities which then have to be supported by expanding social assistance programs.

The Japanese have a phrase: "Building small firms is cheaper than welfare." It's reflected in their dynamic economy, where government consumes only 20 per cent of the national product and 69 per cent of the manufacturing work force is employed by small business. In Britain it's the reverse: 60 per cent of the national product is consumed by government and only 20 per cent of the manufacturing work force is employed by small business.

The issue facing Canada is concentration. Not just corporate concentration, but concentration in cities, in industry, above all in government. Concentration is not the same as business. Plants making steel and petrochemicals have to be big. Large manufacturing plants and small sub-contractors are interdependent.

Concentration in business is a result of the sell-out of small firms that are unable to exist in the political and economic environment that governments have created. That is why the Canadian Federation of Independent Business decided to boycott the Royal Commission on Corporate Concentration.

Instead it recommended, in a letter to Prime Minister Trudeau, that the terms of reference be broadened to include the root cause of our problems: the interconnection between the growth of the state, corporate concentration, and organized labour.

St. Albert Cadets take four top Provincial awards

Both junior and senior drill teams who made a clean sweep of the Central Zone competitions earlier in May competed against the northern and southern zone champions at the Provincial finals at the Prince of Wales Armouries last Saturday.

The junior team, except for the team commander Cpl. Rick Fecteau, were all first year cadets who despite their short training period were only narrowly beaten by the Lethbridge squadron. This was a highly creditable

performance considering the 15 year age limit on eligibility for this team to take second place in Provincial finals.

In the senior competition where St. Albert were 1975 defending champions the senior precision drill team, under the command of W.O.1 Guy Armstrong, put on an excellent performance to win the Provincial championship for the second year in succession. This trophy is one of the top two awards for which all squadrons com-

pete. The other award, the winner of which has not been determined, is the honour of being assessed top squadron in Alberta. 533 Squadron won both top awards in 1975.

At the awards banquet on Saturday evening in addition to St. Albert receiving both the junior and senior zone drill team trophies and the senior provincial precision drill team trophy, three of eight trophies awarded to individual cadets were awarded to members of the St. Albert Squadron.

Each year all eligible Alberta Air Cadets compete for scholarships which result in top cadets being selected to participate in summer programs along with top cadets from all across Canada. These include powered flight, gliding, senior leaders, athletic leadership, technical training, overseas exchange visits and bush survival and the top Alberta cadet on each of these seven courses receives an annual award.

F/Sgt. Trevor Cousineau was awarded the technical training trophy for not only was he the top Alberta cadet on this course he was also top cadet in Canada.

The top Alberta cadet in the senior leaders course, which is considered by the Air Cadet League as the premier scholarship, was awarded to W.O. 1 Guy Armstrong.

Finally the eighth trophy is awarded to the cadet who in the opinion of the Provincial Air Cadet League executive

is the top cadet in Alberta and their unanimous decision for 1976 was 533's Senior Warrant Officer Guy Armstrong.

Needless to say, all the officers and instructors are delighted that their efforts and the co-operation of cadets has provided such excellent results.

On Friday, June 4 the squadron will be taking part in their last weekend exercise before the summer break when all available cadets will camp out at Elk Island Park plus gliding for about 40 of the junior cadets at Cooking Lake.

The last parade of the

current year will be on Thursday, June 10 but the squadron band will be participating in the Rodeo Week opening ceremonies at the Lions Park on Sunday, June 13 and it is hoped that the whole squadron will be available to take part in the Rodeo parade on June 19th.

Kiwanis Music Festival winners

At the recent Kiwanis Music Festival held at the Jubilee Auditorium some winners from St. Albert were:

Martha Schuchard, first place, dramatic poetry solo, 12 and under.

Martha won a scholarship for this and also placed second in speech recital class.

In second place in the vocal duet section, 14 and under, Martha shared this category with Mary Lou Luky.

The Happy Harmonettes from Vital Grandin School placed first in Community Music, in the class 16 and under. In this group, were children from other schools in the area.

They and some of their parents joined a group of senior citizens to form the Balmoral Balladeers, who placed second in the Community Music Class, Open.

This larger group entertains hospitals and nursing

homes and will be performing their Klondike show at several places during June and part of July.

The Music Machine from Vital Grandin School was first in the Folk Song recital class.

Tribute arranged for Lois Brewster

Arrangements are being made to purchase a Past President's Plaque for the Ladies Auxiliary of the Royal Canadian Legion, Branch 271, St. Albert. This plaque is to be a memorial tribute to Lois Brewster and will be

presented at the official opening of the new Legion Hall later this year. Anyone interested in contributing towards this memorial is asked to contact Joanne at 459-8293.

The St. Albert 3rd Scout Troop headed down the Sturgeon River Wednesday afternoon, May 5th on a canoe training course. The boys will be learning the basics of canoeing and the various techniques involved in proper handling of the craft. Scout leader Robert MacKay was keeping an eye on the boys from a small motorized boat with his two canine friends, Padge and Podge, keeping him company.

Rawluk's celebrate 25th wedding anniversary

Jim and Bea Rawluk (formerly of St. Albert) were joined by several friends and relatives for the happy occasion of their 25th wedding

anniversary. A reception and dance was held in their Westview Recreation Hall in

nour on May 1st at the Westview Recreation Hall in

Winterburn, where about 50 guests offered the couple their congratulations and best wishes. Jim and Bea were wed in Victoria, B.C., on May 5th, 1951.

Mr. and Mrs. Rawluk were joined in the celebrations by their son, Bill, and their daughter and son-in-law Darlene and Don Clark of Edmonton (Darlene and Don were also celebrating an anniversary at this time, their first on May 3rd).

Out of town guests included Mr. and Mrs. George King (Bea's brother), and Mrs. Lee Mossman (Bea's sister) from Victoria, B.C., Mrs. Delia Sinclair (Bea's sister) from Winnipeg, Mr. and Mrs. Ben Kessler (Jim's sister and brother-in-law), Dawn Kessler and Ken Herman, all of Calgary, Mr. Nick Rawluk (Jim's father) from Rocky Mountain House, Mrs. Joan Yeates (Jim's aunt) from Leduc, Mr. and Mrs. Doug McNeely from Red Deer, Mr. and Mrs. Fred Wachenhut from Rochford Bridge, and Mr. and

Mrs. John Rawluk (Jim's brother) from Edmonton. Several friends from St. Albert and district also took part in the festivities.

The Rawluk's have travelled around quite a bit

during their life together living in St. Albert for three years until moving to Regina in 1970. They returned to St. Albert in 1974 and lived here until their recent move to Winterburn.

Neighbourhood Councils

The Neighbourhood Steering Committee which had looked into the possibility of Recreational Neighbourhood Councils earlier in the year, met recently to discuss its future plans.

The members present decided to wait until September at which time meetings will be called in the three major areas to see if people are still interested in forming Neighbourhood Councils.

The Steering Committee will announce in September issues of the Gazette when it will be calling a meeting in your area.

Parsonally Speaking

By Rev. B. L. Heath
Pastor
First Baptist Church

"Give me this mountain," states Caleb, as recorded in Joshua 14:12. He is reminding Moses of a promise God made to him 45 years before. This promise stated, "Surely the land whereon thy feet have trodden shall be thine inheritance, and thy children's forever, because thou hast wholly followed the Lord thy God." This is recorded for us to show us a man that built his future on the promises of the living God.

People at times in history have despised, loathed and dreaded mountains. Some are given names such as, "Cursed." One can do several things with mountains. Some of us are content just to sight-see, while others ski and climb mountains. I read an exciting incident in a book on mountains. "A man slipped, tried to recover, lost his footing and started to slide. The rope went taut, jerking the next man out of position and before a breath could be drawn, the third and fourth man were snapped off their feet, it was just plink, plink after the first man slipped."

To spiritualize this thought on Mountains: What mountains do you face in your life? Is it a filthy habit, a filthy tongue, an overly critical spirit, a murmuring, discouraging attitude or a

mountain of garbage, such as vain imaginations. God promises to overturn mountains at their roots. He says that mountains can flow down at

his presence. The mountains shall be thrown down and the steep places fall. Jesus said that if one has faith as a mustard seed mountains can

be removed. Let us ask Him to help us remove the mountains that need to go out of our lives.

St. Albert couple elected to Baha'i executive

Members of the Canadian Baha'i community from across Canada convened at Guelph University on April 30 to May 3 for the Baha'i annual convention when members of the National Spiritual Assembly were elected for the coming year. Members of the newly elected National Spiritual Assembly are: Glen Eyford, Ruth Eyford (both of St. Albert), Husayn Banani, Hossain Denesh, Michael Rochester, Douglas Martin, Elizabeth Rochester, Jameson Bond, and Ed Muttart.

A unique feature of Baha'i elections is the total absence of any form of electioneering. All comment on personalities is discouraged, with emphasis on the qualities of candidates. Vote is by secret ballot. Delegates to the National Convention are elected at Regional Conventions by members of the Canadian Baha'i community who are 21 years of age and over. These delegates, in turn,

elect nine people from all the adult Baha'is of Canada to serve on the National Spiritual Assembly.

The National Spiritual Assembly directs the affairs of the Canadian Baha'i community. On a world level, the affairs of the Baha'i Faith are conducted by the Universal House of Justice. Every five years this highest unit in Baha'i Administration is elected by the members of the National Spiritual Assemblies throughout the world. The Universal House of Justice is located in Haifa, Israel, the World Centre of the Baha'i Faith.

The Baha'i Faith was founded in 1844 in Persia (now Iran) by Baha'u'llah (meaning Glory of God) who declared that the age has come for the unification of mankind in one race and one global society. He taught that all religions are aspects of one universal faith. Baha'u'llah was incarcerated in the fortress-prison of Akka for more than 30 years because of His teachings. Following His death, He was succeeded by His son, 'Abdu'l-Baha, Whom Baha'u'llah had appointed as Exemplar of the Baha'i Faith and the Centre of His Covenant. Eventually, 'Abdu'l-Baha was released from the imprisonment which he shared with His father and travelled to Europe and Canada to promulgate the teachings of Baha'u'llah.

Today, the Baha'i Faith is established in more than 300 countries with numerous adherents and is a fast

growing world religion.

An important feature of the convention was the premiere of the film INVITATION which commemorates the visit of 'Abdu'l-Baha to Canada in September, 1912. This is the first film to be produced by the Canadian Baha'i community.

There was a children's program during the convention and children contributed significantly to the program of a feast held on Sunday afternoon.

Other highlights included an on-going teaching conference, as well as considerable consultation by the delegates on the Five Year Plan of teaching and development launched by the Universal House of Justice in 1974. At the close of the second year of the Plan, the Canadian Baha'i community is well ahead in its overseas goals. Concentration will be on the need of the home front.

The Canadian Baha'i community places much emphasis on bilingualism at all gatherings and during the convention, therefore, there was simultaneous translation at all major events.

Because of the large attendance of Baha'is in relation to the facilities available in Guelph, it was not possible to invite the public to attend any of the events as is normally the case at Baha'i conventions.

The National Convention for the coming year will be held at the University of Saskatchewan.

The Book Nook

By Margrit McCreath
Guess what kids?? Some new books have arrived at the library for you! They're brand new, and whether you are a beginning reader or 10 years old, you are sure to find a book you'll love!

Basil Brush at the Beach by Peter Firmin. Here's a funny story about that foxy character, Basil Brush, and how he's fooled by his friend, the mole, on a trip to the beach.

The Case of the Nervous Newsboy by E. W. Hildick. This author of over 40 children's books has come up with another McGurk mystery about the 10 year old head of the McGurk Detective Organization. Once again you'll be rooting for McGurk as he and his super sleuths match wits with the police in this fast-paced, hilarious, new adventure.

Claude and Pepper by Dick Gackenbach. Young readers will respond warmly to Claude the Dog and Pepper, a dachshund. They are off on a trip to see the whole wide world and to meet all kinds of animals, and to realize how nice it is to have a friend.

Lazy Stories by Diane Wolkenstein. Read these three delightful tales from Japan, Mexico, and Laos. With the three main characters, Hiroko, Mario, and Khotan, the essence of laziness is captured - its problems and pleasures.

Little Gorilla by Ruth Bornstein. Everyone loved Little Gorilla and his playful antics - even when he was bad. But then something began to happen - he grew, and grew, until one day Little Gorilla was Big!

Wiley and the Hairy Man by M. G. Bang. Wiley's mother had warned him about the Hairy Man and had told him always to take his hounds along when he went to the swamp. One day, though, the hounds ran off to chase a wild pig and Wiley was left alone. Looking up from his work of cutting bamboo poles who should he see coming through the trees, but the Hairy Man.

Happy Reading!

GET WEAVING TO the town library kids! A host of new books have just been put in there for your enjoyment. [See story this page].

Summer camp for the blind

National Camps for the Blind representative Ken Falkingham was in St. Albert this week publicizing the camp for the blind which will be held at Bowden July 18-25.

The camp is specifically for children who are either blind or visually handicapped. The camp at Bowden will be one of 34 operating this summer in north America. Children between the ages of nine and 19 will be able to take in the camp program which includes swimming, canoeing, horseback riding, crafts, campfires, bicycling, beeper baseball and nature study.

This free service is provided by the Christian Record Braille Foundation. The Foundation receives no Government aid or money, but is funded by gifts, wills, legacies and public contributions.

Mr. Falkingham was also enrolling children in St. Albert for "Talking Magazine," and other free services available in braille.

large print, record, tape and cassette. Readers who are acquainted with a blind person who would benefit from any of these services should call Mr. Falkingham at 454-9776 or write to him at the Foundation's head office in Alberta - 12265 Dowercourt Avenue, Edmonton.

GRAD '76

Friday, May 21, was the occasion of the formal Graduation of SAHS Grade 12 students. A practice for the arrangement of the Grads in alphabetical order and in order of height had been held previously, and this ensured

the smooth operation of the exercises on Friday at 3 p.m.

First a Mass was celebrated by Fr. Jake Joly as main celebrant and with Frs. Al Roy and Ubald Duchesneau assisting. The homily was given by Bro. Jerry Dowling, the counsellor at SAHS.

The music was provided for by The Good News and some Grads.

The ceremony part of the exercises were emceed by Mr. Ross Johnson, principal of the school, and speeches were given by the Superintendent Dr. Zielinski and by school trustee Mr. Sieben.

Next, Mr. John Kennedy, the valedictorian gave a very fine speech to the Grads. The banquet and dance both took place at the Edmonton Inn Crystal Ballrooms. Miss Lori Bezenar was the mistress of ceremonies for the banquet, where 712 guests came to enjoy an excellent smorgasbord-style meal. Following the banquet was a tribute to the teachers and parents given by Miss Lori Bezenar, and the class history given by Miss Jeannette Kathol and Mr. Alan Brenneis.

Following that a tribute to the Grads was given by Mrs. Marion Ferry, the Grade 12 co-ordinator, and presentation by Mr. Pat Lockert of the Robert Gilbertson Memorial trophy to the Grad of the Year, Darrell Regimbald. Half an hour later, the dance began with the band "Nite Lite," and it continued on until nearly 1 a.m. The whole Grad was enjoyable to all; parents, teachers, friends, and especially by the Grads themselves.

The proofs of the photographs taken of the whole Graduating class on May 21 should arrive this week and

will be displayed in the showcase. Orders will be taken soon (price per picture is approximately \$5.) and the finished portraits will most likely have to be picked up by the students themselves at the end of the school year.

STUDENTS' UNION NEWS

The Canada Manpower-sponsored Hire-a-Student program is now underway, and Jim Scheibelhofer is in charge of it in our school. Many high school students have already registered in the program for summer jobs of all sorts, from recreational to office to outdoor work. Interested students or private individuals wishing to employ such students should phone the Town of St. Albert, extension 45.

Ruby Byl has been selected from our school to attend the Drumheller Recreational Leadership Course this summer. For six weeks she will be in training down south on a bursary, and for the remainder of the summer and also part-time this winter she'll have a job with the Town of St. Albert. Congratulations, Ruby!

On Thursday, June 3 at noon hour, Mrs. Pickard will be coming to SAHS to give a slide presentation on the Family Craft Camp to be held from July 19 through to 23. This camp is held at Lake Wabamun and there is opportunity for five or six students to be employed during that week.

YEAR BOOK

The SAHS "Aurora" is almost ready to send in to the publishers! Anyone who has pictures considered to be suitable for the Yearbook should bring them in as soon as possible. Also, anyone wishing to order a yearbook at \$5 apiece, this is your last chance.

PITCH AND SPICE

The Northern Tour of Slave Lake, Peace River and Grande Prairie that took place May 7 to 10 went off practically without a snag, due to the help of the adult committee, the hard work of the equipment crew, the many hours of practice spent by the singers and band, and no doubt also because of the generosity of the people of each of the three towns. Presently, a recording of Pitch and Spice's Mass and Concert songs is in session. Twenty-five of the 50 to 60 hours required to record have been completed. A 24 track tape is being made with each choir and band part on a separate track. The tracks will later be mixed, and the finished product, to be called "Melody Fair" will be a two-record album.

RODEO QUEEN CANDIDATES

The two candidates representing SAHS in the annual Rodeo Queen contest are Joanne Ethier, Grade 10 and Lynn Skow, Grade 12. Congratulations to both of you on this honour. Interviews and appearances are scheduled for Lynn and Joanne and the other three candidates, and are coming closer and closer as Rodeo Week approaches.

TRAVEL PROGRAM

Four students from our school will be attending Camp Goldeye from July 15-21 for a Co-operative Youth Seminar: Bonita Heidinger, Carol Karakonti, Joanne Bolten, and Kathy Squires. The Seminar consists of films and discussions on various themes. A camping trip for these students and those participating from Paul Kane for seven to 10 days preceding the Seminar is tentatively planned. Its realization depends on whether or not a bus and driver to get to the area (west of Rocky Mountain House) can be arranged for. To raise money for transportation and for the Seminar's entry fee, these students had a chocolate blitz night on Monday, May 31.

tion depends on whether or not a bus and driver to get to the area (west of Rocky Mountain House) can be arranged for. To raise money for transportation and for the Seminar's entry fee, these students had a chocolate blitz night on Monday, May 31.

COMMUNITY YOUTH VOLUNTEERS

This group of students volunteering their summers to work on Canadian Indian Reserves are in the middle of training for their summer activities. They are taking a weekly Arts and Crafts course from Cathy Holden and Lori Dowell, and this Saturday will be attending a workshop when they will learn action games and water safety. Recently, some of the volunteers spent a weekend at the Green Lake Reserve, where Father LaFrance, a former parish priest, is the missionary.

OFFICE WORK STUDY PROGRAM

Nine students from Office Procedures 30 and Typing 30 are presently on a training program every morning from 9 a.m. to 12 noon for two weeks. They have been placed in most of the St. Albert public schools, in the Sturgeon General Hospital and at the Day Care Centre for valuable office experience.

TRACK AND FIELD

The SAHS track and field team has done very well this year so far. The conference meet was held at Coronation Park in Edmonton on Wednesday, May 26. Rob Weller, Richard Gadoury, Alan Brenneis, Sarah vanTighem, Marvin Soetaert, Kathy Rothermel, Ron Bruinink, Marty Scheibelhofer, George Gagnon, Denise Young, Jim Scheibelhofer, Dan Kehoe and Tracy Berube all qualified to compete in the Zone meet held on Saturday, May 29. At this time, four SAHS athletes placed to qualify for the Regionals this weekend in Peace River: Sarah in shot put and 100 meter, Marvin in discus, Ron in triple jump, and Mike Byl in the 800 meters. If they place well again, they will qualify for competition in the Provincials in Edmonton on June 12. Congratulations and good luck!

Lorne Akins spring band concert

The gymnasium at Lorne Akins Junior High was ringing with music Friday evening as some 120 students participated in the second annual Spring Band Concert.

In addition to the two Lorne Akins bands, a special feature of this year's concert was the guest appearance of the Harry Balfour Junior High School Band from Grande Prairie. This group of 40 students and their conductor, Garth Archer, were completing the second half of a very successful band

exchange program. Grade 8 and 9 band members from Lorne Akins had visited the northern city earlier in the month.

About 350 people were entertained for close to two hours as the two schools played such songs as the Theme from MASH, highlights from Fiddler on the Roof, and the very popular Tie a Yellow Ribbon.

Another feature that evening was the first public performance of the Grade 7

band from Lorne Akins. These 40 some students are to be commended for an outstanding job, especially since most of them have played musical instruments for less than one year.

Lorne Akins director, Eugene Osoba, indicated the desire to repeat the exchange visit during the next school year, and with the success of the program on Friday, residents of St. Albert can look forward to a bigger and better concert next year.

On Friday night the Harry Balfour Concert Band from Grande Prairie made a return visit to St. Albert to perform for several of the schools in town, the third performance of the day being held at Lorne Akins. The Lorne Akins Band recently visited Grande Prairie where they performed for the Harry Balfour students. Conducting the band was G. Archer who did an excellent job of leading the young musicians through several enjoyable numbers. Among the tunes played were the Professional March by Ployhar, M*A*S*H* by Mandel, Rainy Days and Mondays by Holcombe, and Gold by Bernstein.

Social Services moves into old RCMP building

The Social Services Department has moved from the Town Hall. It can now be found in the premises vacated by the RCMP when they moved recently to their new more spacious headquarters on Sir Winston Churchill Avenue.

The Department's official address is 20 Muir Drive and the telephone number remains the same - 459-6601.

Following are the pro-

grams which will be served from the new location: the Homemakers' Service, Community Youth, Senior Citizens, the handicapped, family and individual counselling, social assistance.

The new accommodation

will also provide a meeting place for any of the volunteer boards or committees coming under the "wing" of Social Services. For further information phone the Department at 459-6601 between 8 a.m. and 4:30 p.m.

Teen news and views

By Kelly Daniels

Child abuse is a problem that has been haunting almost every North American centre for sometime now. The number of children each year who are physically verbally, sexually and/or emotionally abused by parents would stagger even the most liberal minded person. In a large number of cases the parents are very loving people who are sorry for their actions after, but it continues to happen every time their child upsets them. With these parents the problem is primarily one of not being able to handle child discipline in a reasonable fashion. They are uncertain as to what

to do and how to handle the many problems parents face with bringing up children.

There is now an organization which is set up to assist parents who have these feelings and want to do something about it. It is called "Parents Anonymous" and it is a self-help group organized to help families. The group has regular meetings and there is no charge for these sessions.

For more information and the time and place for these meetings phone A.I.D. day or night at 426-3242.

TEEN SCENE

ST. ALBERT CYCLE CLUB

Teens between the ages of 15 years to 20 years and who are interested in cycling this summer are invited to attend a meeting of the St. Albert Cycle Club. If you want to do some short cycling trips as well as a possible longer touring trip this summer come on out to the Grandin Clubhouse on Tuesday, June 8 at 8 p.m. Adults are invited too.

CAR WASH

Many thanks go out to Mr. Don Cary the manager at Roger's Esso for his efforts on Saturday to make the St. Albert Teen Club's car wash a success. Unfortunately the weather put a damper on things but they'll be out there again sometime in the future for those who were missed.

ST. ALBERT YOUTH
[S.A.Y.]

A meeting of the St. Albert Youth will be held this Thursday, June 3 at 4 p.m. in the annex next to the Library. If you're 13 to 18 and wish to get involved with planning dances, rock concerts, hayrides, wiener roasts etc., for this summer come on out to the meeting and lend a hand.

HIRE-A-STUDENT
[H.A.S.]

Jobs are now filling out job cards for the coming summer and if you have need for an able body and hard working student to do work around the house or for your business, phone Jody Coulter at 459-6601 between 2:30 and 5 and make your request.

I'M MOVING

As of June 1st my office

will be moving from Town Hall to the old RCMP office at 20 Muir Drive. I don't as

yet have a telephone but drop by for a coke and see the new surroundings.

Drama 30 class brings plays to life

By Kris Iddings

Paul Kane's Company 30 came to life this year as the Drama 30 class began the season with one act plays shown at lunchtime in the school's Theatre Arts.

A Christmas concert which ran two nights, stacked with talent from the school was quite successful. From then on the lunchtime theatres entertained with musicians and drama.

The money produced from these shows is the beginning of a fund for a desperately needed curtain for the inadequate drama facilities at Paul Kane High School.

To end the year with a bang, Company 30 has pooled their resources of musicians from Paul Kane and produced an outdoor concert which will take place on Sunday, June 6 at two o'clock at Lion's Park, weather permitting.

Some of the performers will be the school's own stage band which recently went on tour, Jay Henituk, Mark Bond, Trevor "Eton" Cousineau, Teddy Dykstra, Colleen Maine, Tracey Henituk and a new rock group playing their own music, "Silver Water Blue". The concession will be open at two o'clock p.m.

7:30 p.m., June 9, Wednesday evening at Paul Kane, Company 30 has organized an evening of strictly drama. This "Evening of One Act Plays" will have several plays, skits and monologues.

Admission is 50 cents per person and coffee will be served during intermission. Everyone is welcome to

attend and we thank you for supporting our cause. See you there on Sunday, June 6 and Wednesday, June 9!

Accent on Akins

By Laurie Root

OUTDOOR EDUCATION
CAMP

On June 4th, Grade 8 students in the outdoor education option will be leaving for their camp at Thunder Lake Provincial Park, 85 miles northwest of here. Three instructors, Mr. Scott, Miss Sumka and Mr. Ferguson, all teachers from the school, will be accompanying students and supervising activities. This camp will involve a three day backpacking - survival exercise around the lake including shelter construction, firemaking, safety, flora and fauna identification, ecology, wilderness camping and outdoor cooking. These students are due to arrive back at St. Albert on June 7th in the evening.

DISTRICT TRACK MEET

Many winners of the school track meet will be competing in the District Track Meet to be held June 4th. All public is welcome to attend at the Lorne Akins Junior High School Field. This year's meet will see the

establishing of new records in all competitions, as we, for the first time, will be recording all results in metric units.

CUC president re-elected

Elaine Royer of St. Albert was re-elected president of the Canadian Unitarian Council at the council's annual meeting held last week in Waterloo, Ontario.

Mrs. Royer, wife of D. P. Royer, Grandin Blvd., has been for a number of years the church secretary as well as secretary of the Board of the Unitarian Church in Edmonton.

Delegates to the annual CUC meeting from the Edmonton area were Helen Smith (Mrs. Russell Smith), Grosvenor Blvd., St. Albert and Mrs. Tuck Renssela, Edmonton.

Mrs. Royer also is chairman of the Edmonton church's ways and means committee under which operates the committee for the Unitarian Festival which is being held this Saturday, June 5, from 11 a.m. to 7 p.m. in the Edmonton Unitarian Church, 12530 - 110 Avenue.

ST. ALBERT CATHOLIC SCHOOL DISTRICT NO. 3

BOARD MEETING

DATE JUNE 7th, 1976

TIME: 7:30 P.M.

PLACE: VINCENT J. MALONEY SCHOOL
65 SIR WINSTON CHURCHILL AVENUE

Between 8:00 p.m. and 9:00 p.m. the Board invites any interested parents, teachers or students of the District to express their concerns about "Basic Education."

Nobody wants to get the chair

Each year there are more and more accidents on the job. Accidents that maim, injure and sometimes kill. Last year alone 2318 people were crippled for life. And it could happen again. To you. But most job accidents can be prevented. That's why the Workers' Compensation Board wants you to protect yourself. So be careful. Be alert. Put things back in their proper place. Then you won't have to worry about getting the chair.

St. Albert couple united at Roman Catholic Church

On Saturday evening, May 1st, in the St. Albert Roman Catholic Church, Barbara Ann McCaffery, daughter of Mr. and Mrs. James McCaffery exchanged wedding vows with David Michael Brochu, son of Mr. and Mrs. Jeff Brochu, all of St. Albert. The church was colourfully decorated with urns of yellow and white daisies and baby's breath, tastefully arranged by Mrs. R. Maxted from Kelowna. Yellow bows centred with a single daisy and

sprig of baby's breath decorated the pews.

The bride, who entered the church accompanied by her father, looked beautiful in her empire gown of polyester satin trimmed with lace appliques, dotted with pearls, which enhanced the gentle train and framed the attached hood. Barbara carried a bouquet of yellow sweetheart roses laced with baby's breath and wore a single strand of pearls. Her maid of honour, Francine

Bergevin, and attendants, Anne Bourgeois and Carmen Ethier, wore matching gowns in pastel yellow and carried a single Woburn Abbey rose.

The groom, his best man, Chris Wilson, and ushers, Denis Bourgeois and Norman Roy, wore dark green tuxedos. The groomsmen wore pastel green ruffled shirts and the groom in white. Also assisting with the ushering were B. J. McCaffery, brother of the bride and Lorne Brochu, brother of the

groom.

Barbara and David were united in marriage by Fr. Jake Joly, assisted by Fr. Mike Heffernan from Sylvan Lake, a close friend of the family. During the ceremony soloist, Debbie Kremer sang several selections, accompanied by a group from St. Joseph's Seminary who conducted a folk mass. Ann Turner and Michel Bourgeois participated in the scripture readings.

For the occasion, the

bride's mother chose a gimlet green shirt-waist gown of dacron. She wore a yellow orchid corsage. The groom's mother wore a sky-blue jersey gown complimented by her white orchid corsage.

The Club Mocombo was tastefully decorated for the reception which followed, with Terry Patterson, cousin of the bride, as master of ceremonies. A three-tiered wedding cake decorated with cascading yellow roses com-

plimented the head table. Mr. R. H. Maxted from Kelowna, a long-time friend of the family, proposed the toast to the bride.

Out of town guests were from Calgary, Grande Prairie, Sylvan Lake, Three Hills, Rocky Mountain House, Kelowna, and Kamloops.

Following the opening of the gifts on Sunday at the home of the bride's parents, the couple left for their honeymoon at the coast. They will reside in St. Albert.

MR. & MRS. DAVID BROCHU

Calgary Stampede founder honored

Guy Weadick, founder of the world-famous Calgary Stampede in 1912, has been chosen to be a member of the Rodeo Hall of Fame in Oklahoma City, Oklahoma.

The Rodeo Hall of Fame honours cowboys achieving World Championships, and

only recently has also honored cowboys from the past who, although they may never have gained world renown, have put forth an outstanding effort in the area of rodeo.

The Calgary Stampede will be held this year July 9-18.

Over 3,000 feet of Frost fence arrived at the Rodeo grounds last Wednesday afternoon and several of the Klansmen promptly set to work putting it in place that night. Another 800 feet of the fence is to arrive this weekend and more volunteers will be needed to finish the job.

Garden Construction- Basic Do-It-Yourself

Ortho's new book, "Garden Construction Know-How," tells you what you should know before you do a lick of work. It gives valuable advice and suggestions that make construction work possible even if you've thought you had no talent for it. Begin now, ahead of season, to work out what you want to do. Then you won't rush yourself into confusion.

Sit down with a piece of graph paper and outline your house and property on it. The book tells you how to proceed. Approach the arranging of the outdoors the same way you would the interior of the house. When you go to buy a new house, you certainly visualize where the furniture will fit best and whether the traffic patterns suit your family needs. The same holds for outdoors. In fact, more so, because you

can't move concrete slabs, fences, or large plants around as you can furniture. Mistakes outside can be costly, so plan with caution.

Make a plan on paper no matter what you're undertaking—the whole lot or just a short walkway. Keep the plan (it's time-consuming to prepare) for future reference and jobs. As the book points out, it's always easier to make a correction on paper than on the ground.

After you've cleared every thing down to actual work, let's say you want to do some paving. Do you know all about various paving materials? No? Well, "Garden Construction Know-How" does and gives the information in a concise chart—with pros and cons of the different materials, plus average cost per square foot, plus helpful comments about the use of each material.

You're given a choice of over 30 ways to go, so you're bound to find something to suit you.

If your project is a fence or wall, another chart guides you in selecting materials.

If you don't know anything about tools and equipment needed for garden construction work, the book lists the basic ones to own and which ones to rent.

You're also cued in about lumber: kinds, grades, dryness, lengths, grains. The difference between a lineal foot and a board foot is cleared up—a great boon if you've never encountered that mystery before.

With Ortho's "Garden Construction Know-How," you can build anything you want with assurance. And you'll find out what many others already know—that construction work is creative and satisfying.

Longpre awarded David Neeser memorial trophy

Gilbert Longpre, the 17 year old captain of the St. Albert Sportshop Barons, has been named the first recipient of the David Neeser Memorial Trophy.

Longpre, who has been offered a tryout at the Lethbridge Broncos Junior A camp this coming fall, was presented with the trophy by Craig Neeser at a recent team barbecue.

The trophy is to be presented annually, in remembrance of the former coach of the Barons hockey club. Dave was killed in a car accident last year.

Craig, a brother of the deceased, who presented the trophy, which includes a replica of the original for the recipient, said Dave, who coached the club in the early 1970s, had a special fondness for defencemen.

As a result, the Neeser family decided the trophy will be presented to the best defenceman each year who plays for the Barons, St. Albert's midget "A" travelling club.

Craig, in presenting the award, said "there was little doubt the award was going to the right individual. Gilbert played with the style and heart that Dave liked."

Both Longpre, and 17 year old Dale Malanchuk, who also played with the Barons last year, have been informed they will get tryouts in Lethbridge in early September.

As well as the presentation of the Neeser award, the team presented retiring coach Doug McConachie, assistant coach and trainer Bob Sage, and manager Dick Wilson with appreciation awards.

McConachie and Wilson have been with the team for the past three years. During those seasons, the Barons twice won their midget "B" zone championship, and this

past year stepped into "A" competition, also winning their zone.

Twice the team finished third in provincial championships, and the team also finished third in this year's Wrigley midget championship in Grande Prairie. The other year, the team lost out in provincial quarterfinals to the eventual provincial winner.

McConachie has been involved in minor hockey in St.

Albert for the past four years. The first year he assisted Doug Millroy, coach of the St. Albert Fire Chief Bantams, and then moved up to the Barons.

Wilson has also been with the Barons for three years, and was instrumental in working out travelling arrangements for the team to Quebec this year, and a tour to the northwestern United States for the Barons and the Fire Chiefs in 1973-1974.

Sage first volunteered his services this year, and had entertained thoughts of continuing in the minor hockey program, but it is expected he will be moving out of the town this summer.

The coaches also expressed a special thanks to their sponsor, the SportsShop, who during the past three years contributed both equipment and financial support to ensure three very successful seasons.

Lacrosse season gets off to slow start

St. Albert minor lacrosse teams in all classes have had difficulties in getting started in the Edmonton and district league this year. After the second week of competition, all teams are still looking for their first win.

The novice team has lost both games against a larger, more numerous, and more experienced team from West Edmonton. In the second game, the visitors produced a 9-0 win over the St. Albert entry, which is still expecting to shake down into competitive form.

The St. Albert pee wee team, after a narrow loss in its opener, has been hit hard in its last two games, losing 7-0 to Sherwood Park, and 6-0 to Southeast Edmonton. In both games the fast, hard shooting opponents took advantage of their chances, while the local players had difficulty in finishing off around the other goal. The pee wee team is confident, however, that they will gain revenge for these set backs.

After tying its opener, the St. Albert bantam team has played just one game, dropping a hard fought contest to Sherwood Park, 11-7. After one period, the teams were tied at 2-2. The second period was a disaster,

however, ending at 10-3 for the visitors.

Despite a valiant effort in the final period, the St. Albert players failed to recover enough to make up

the difference. Brian Shaw led the local team with four goals, while Greg Miller counted twice, and Ron Mallow had one.

Swimming registrations going well

Registration for swimming lessons and water activities are going well, reports Larry Wilson, manager of Grosvenor Swimming Pool. The first two sessions are practically full with some openings left in the second session in the following areas: Royal Life Saving Society (Elementary, Intermediate, Bronze, Cross, Bronze Medallion and Award of Merit), Red Cross (Junior, Intermediate and Senior), Advanced Aquatics, (level 1 or 11), Names of interested people are being taken in order to arrange for classes in Springboard Diving, Skin Diving and Synchronized Swimming.

Teens and adults interested in playing Inner Tube Water Polo are asked to form their six person teams before contacting the pool. Since girls are the only players allowed to score in this game there is a pre-requisite of two girls per team. The games are played on Sunday evenings and the pool will fit any new teams into the schedule as soon as possible.

There are five sessions planned for the summer. The third one begins in mid-July and the last one winding up the end of August. Registrations for these sessions are being accepted at the Grosvenor Pool during the day.

Calahoo chiefs win tournament

Calahoo Chiefs won the annual Winterburn Sports Association eight-team football tournament last week-end with an exciting 4-1 win over Tri Hope Drilling in the final game.

Chiefs opened the tournament with an easy 14-2 win over Winterburn Saturday

afternoon. The win advanced Calahoo into the semi-finals where they came up with a 7-2 win over Lincoln Hotel.

The final game was delayed three or four times because of rain but Calahoo came up with an excellent 4-1 win to take home first place prize money of \$110.00.

Saints split pair of games

St. Albert Saints senior baseball team split a pair of Sunburst Baseball League games last week, winning 9-6 over the Edmonton A's Wednesday in St. Albert and then lost 5-2 to the Cubs in Camrose on Friday evening.

The split gives St. Albert a 2-1 win loss record and they will be trying to improve that tonight and tomorrow when they host Camrose for a pair of games. Both games will be played at Mission diamond starting at 7 p.m. sharp.

In their game against the

A's, St. Albert came up with eight runs in the final two innings to come from behind a 5-1 A's lead to win 9-6. Rick Curtis went all the way for the Saints on the mound to pickup the win and also went three for five at the plate.

In Camrose the Cubs pitcher E. Solberg turned in an excellent mound performance striking out 12 Saints and allowed only six hits. Harry Hodgson went all the way for St. Albert striking out eight and allowed eight hits.

St. Albert bantams defeated

In Bantam Lacrosse action Monday night, an accomplished squad of boys from South Edmonton defeated a less experienced crew from St. Albert by the score of 10-4. Despite the 10 goals scored against him, goaltender Dennis Sabourin played a sound game in goal, stopping many close-in chances. South Edmonton took an early 1-0 lead only to have Brian Shaw tie up the game for St. Albert. However, by the end of the first period South Edmonton had built up a commanding 4-1 lead. South Edmonton stretched the lead to 7-2 by the end

of the second period. Greg Miller scored the second St. Albert goal.

The St. Albert boys put up a good fight in the third period only to be outscored 3-2. Brian Shaw scored his second goal of the night and Lee Olsen netted the other.

Penalties killed the St. Albert team. South Edmonton scored four goals while the home town boys were either one or two players short. The next bantam lacrosse action in St. Albert will be Wednesday, June 2 at 8:15 with another game scheduled for next Monday at the same time.

Students of Paul Kane High School were enjoying a sunny afternoon down at Grosvenor Pool yesterday afternoon. Barry Lundquist gave an excellent display of swimming prowess for the rest of the swimmers, but the serious swimming soon gave way to splashing and laughter.

St. Albert Recreation Report

From the St. Albert Parks and Recreation Dept.

BUS DRIVER NEEDED

The Day Camp program which is to run this summer for children 7 - 12 years of age will require a number of volunteers. We are looking for a qualified bus driver who is willing to volunteer to drive the children to and from the camp during the week. For further information please contact Rein Selles at 459-6601 Ext. 44.

GOLF INSTRUCTORS CLINIC

A golf instructors clinic will be held in Stony Plain at the Stony Plain Golf Course

on Saturday, June 12 from 10 a.m. until 4 p.m.

This clinic is designed for those people who are interested in instructing golf classes in their community.

This clinic is sponsored by Alberta Recreation, Parks and Wildlife in conjunction with Parkland Parks and Recreation. Registration deadline is June 5, 1976. For information contact Mr. Jim Pratt, director, Parkland Parks and Recreation, Box 179, Stony Plain. Registration forms are available at the St. Albert Parks and Recreation office at the Town Hall.

ST. ALBERT PIONEERS

The Pioneers will be taking

their trailers and tents to Pigeon Lake on June 5 and 6. Why not take the family and join them for a quiet relaxing weekend with good company June 12 and 13 sees the group heading out to Lake Wabamun Provincial Park. See you there.

SUMMER CALENDAR

The summer calendar announcing recreation activities for the months of July and August will be coming to homes in St. Albert June 10-14. The brochure will be a distinctive summer green.

FALL PROGRAM INSTRUCTORS

Do you have a skill which you think you can pass on to others in the community? St. Albert Parks and Recreation is looking for qualified and experienced instructors to teach programs in the fall of 1976. If you are interested in teaching, please write stating your experience qualifications and preferred teaching group (children, adults) and mail to St. Albert Parks and Recreation, Town Hall, St. Albert, Attention: Mr. Rein Selles.

JR. TENNIS TESTING

The St. Albert Tennis Club will be testing any interested junior tennis player for their Junior Crest at Mission Courts on June 19 from 12 noon - 5 p.m.

FAMILY CRAFT CAMP NEWS

A slide presentation on activities at the Family Craft and Recreation Camp to be held at Lake Wabamun on July 19 - 23 will be shown during the lunch hours at

Paul Kane High School on Friday, June 4 and St. Albert High School, Thursday, June 3. The presentation is also available to any community organization who wishes further information on the camp. For further information phone St. Albert Parks and Recreation at 459-6601.

TENNIS LESSONS

Watch for information on the June 21 - July 2 set of Tennis Lessons to appear in next week's paper.

Falcons	2	7	1	5
Giraffs	0	10	0	0

With less than two weeks to go, the stompin Steers from Sturgeon are sending all other T-Ball teams out to pasture. It seems like that, anyway, as they chalked up their ninth and 10th straight this week.

First, the Steers tread the Falcons 23-18 last Wednesday in a televised encounter Monday, they found the Fawns for an easy 28-7 win.

Coach Wayne Saunders the Larks kept pace as they gave the gorgeous Gorillas another TV T-Ball lesson 12-10. In a "battle of the birds" Wednesday, the Larks spurred the Falcons 23-14.

The galloping Goats of Grandin headed the Giraffs 33-24 but were pounded by the Gorillas 27-14 Monday.

In other tilts, the Mission Mustangs outstretched the Giraffs 27-22. Previously the Muskies were run in by the fighting Fawns 18-12.

MOSQUITO DIVISION

	W	L	T	P
Lacombe Roosters	7	2	2	16
Orioles	7	2	2	16
Orioles	7	3	1	15
Appollos	5	5	1	11
Canucks	5	5	1	11
Exkimos	4	6	1	9
Mustangs	3	8	0	6
Red Sox	2	9	0	4

Coach Vic Fouquette's Lacombe Park Red Roosters have company up on that first place perch in the Mosquito division. It's the Orioles, tutored by Vic Hogan, who've finally arrived.

The new co-leaders bored a hole in the Eskimos igloo, 30-14 last Wednesday and

when it was finally over on diamond #11 Monday, the scoresheet read Oilers 46, Mustangs 9.

Ending the climbing Canucks win streak at five straight were the Roosters 15-7 Monday. However, they lost several tailfeathers before gaining a 3-3 tie with Coach Colin Hefford's Appollos in a Wednesday donnybrook.

The third place Orioles had a lot to sing about this week with a 24-14 chirping of the Mustangs and a 21-14 meeting of the Eskimos.

Skip Wheatley, coach protem of the Red Sox almost "hung" one on the Canucks before losing 18-13 at Lion's Park Wednesday, but were washed out by the Appollos 18-8 behind the steady pitching of Wes Litke and Stan Black. Litke polled out a single, double, and triple to aid his own cause.

BEAVER DIVISION

	W	L	T	P
Pirates	10	0	0	20
Braves	6	2	1	13
Blasters	6	2	0	12
Mets	4	4	0	8
Angels	4	6	0	8
Giants	3	6	0	6
Flyers	3	7	0	6
Dodgers	0	0	1	1

It's been an exciting seven days of wins and losses (and a tie) for the Beaver division. One thing is certain, Coach Dave Reiniger's Pirate crew continues to cruise merrily along - untouched.

The predictable Pirates boarded the Dodgers 36-6, the Angels, 27-6 and the Mets 25-1 in that order, to remain out front.

The anxious Angels wrapped a 21-19 halo around the usually-potent Blastars to provide the week's biggest surprise. A four-run homer by Greg Collins decided the game for the winners. The underated Angels flew higher than the Flyers in a Friday

make-up contest 18-10 for their second win of the week.

However, the Flyers, piloted by Al Krause, returned to form Thursday as they cut the Giants down to size 20-15. This came after the Flyers were downed by the Mets of Coach Mike Bellas 32-5. The "make-up game of the week" featured the Giants' breathtaking extrajoining affair with the Mets 8-7.

Another major surprise came Thursday when the hard-luck Dodgers held the second place Braves at bay 15-15 with some neat infield play. It marked the first deadlock of the 1976 season in the Beaver circuit.

BANTAM DIVISION

	W	L	T	P
Braves	5	3	1	11
Cardinals	5	3	1	11
Bermont Broncos	3	4	2	8
Sportshop Cubs	3	6	0	6

The Sportshop Cubs may still be in last place in the Bantam division but, maybe, not for long.

In winning two games, back to back, this week, the cellar-dwelling Cubs proved they were no longer in hibernation. It all started last Tuesday when they silenced the booming bats of the Braves 8-5. Thursday, only

eight Cub players reported for their game with the Bermont Broncos at Mission field. The Sportshop "reps" over-ran the Broncos for a 16-5 disgrace by solving the pitching slants of Larry Schuchard for the first time in four starts.

The battling Braves made up for the set back by the Cubs by clubbing the Cardinals into submission 23-1 in blustery winds at St. Albert High. The co-leading Cardinals had a better day on Tuesday, winning 18-13 from the Broncos behind the fine relief twirling of Jim Fowler in another wind-blown slug-fest.

Prairie fowl off to an early start

In comparison to the last two years, prairie waterfowl are off to an early start! Although, as usual, they were preceded by the eager few, the main flight of early migrants - pintails, mallards and Canada geese - arrived on the prairies the last week of March (later in Manitoba) a full two weeks ahead of the past two years. With no prolonged periods of severe cold and no late snow storms, nesting has proceeded without interruption and we expect some early broods

this year.

Water conditions however, are much less ideal than in 1975, and most of this year's duck crop will be raised on last year's water, for runoff was light in most areas. While there was sufficient water to bring the permanent sloughs up to satisfactory levels, the myriad of small temporary ponds and full ditches, which characterized the prairies the last two years, are absent.

Southwestern Manitoba and southeastern Saskatchewan are the exception. Here, a very heavy runoff has caused extensive flooding and produced excellent water conditions.

South and central Alberta are a direct converse, where a dry fall, little snow, and practically no runoff, have resulted in the driest conditions in several years. Ducks Unlimited projects are full and irrigation ponds are dependable but there is a dearth of small natural ponds so loved by pintails.

In response, these birds have reacted as they usually do in such situations, and may have overflowed the prairies. Great flocks of pairs were present in mid-April in the well watered Peace River country of northern Alberta. Many will nest here, but we can expect that much of the flight will pass on north and may very well appear in the far north as flocks of none breeders.

We expect a movement of pintails to Saskatchewan and anticipate that our spring counts will show an increase of this species there.

In spite of the situation in Alberta, there is plenty of water on the prairies and parklands to produce a good duck crop, given a year of average temperatures and precipitation. Certainly there has been nothing detrimental weatherwise, and apart from the effects of agricultural activities and the usual predation, the ducks have had no serious problems thus far.

Populations surveys have not as yet been run but casual observations are that there has been a good return of ducks to the prairies. Canvasback are again conspicuous this year and habitat condition are good for them. Blue-winged teal were just arriving, on schedule, the first week of May. Canada geese continue to increase and expand their range in the southern prairie.

ies.

They are appearing on many smaller ponds and sloughs which some years ago were never thought of as Canada goose nesting habitat. Just another case of the geese knowing more than the biologists?

In contrast to the relatively early prairie season, things are lagging behind in British

Columbia. While conditions are normal in the coastal and southern regions, colder temperatures have delayed the season in the more northern and higher plateau regions of the province.

More seasonal temperatures during the latter part of April have hurried things along a little. In the southern area the first Canada goose

and wood duck broods have appeared. It is difficult for the prairies to ever top this!

Water conditions are exceptionally good in the benchland and plateau areas, but the retarded thaw at higher elevations gives concern for heavy flooding of the major river valleys and loss of nests in the associated marshes.

Great Canadian race draws unusual entries

It could be flying saucers against bath tubs on wheels at the Great Canadian Race in June.

Acceptable entries for the race, a fun-raising exercise in whimsy, which takes place between Toronto and Montreal, June 19-26, include hot air balloons, magic carpets, helium-filled mattresses, harnessed clouds, flying nuns and pogo sticks.

Conventional means of transportation such as bicycles, canoes and good

old-fashioned foot power will also be permitted to compete in special categories.

Stops will be made at pre-determined check points along the way, and participants will be expected to complete the distance between each check point, 40-45 miles, each day. Which could be difficult if you're riding an ornery llama! But don't worry. Arrangements

are being made to pick up stragglers.

Two of the more unusual vehicles entered so far are the "Sphercar," which consists of two revolving clear plastic balls, one inside the other, and an inverted sailboat with the cabin extending above the sails. Another possibility is a bicycle-built-for-ten.

Enchanted forest enchants visitors

The Enchanted Forest, 25 miles west of Revelstoke,

British Columbia, displays fairyland figures in a natural forest setting. The idea for the forest was conceived about 15 years ago by Doris Needham, artist and sculptor from nearby Shuswap Lake.

With the help of her carpenter husband, Ernest, she placed her original cast concrete figures in shaded cedar groves. A large medieval castle, complete with dungeon, drawbridge and moat, was added.

Each year, since the Enchanted Forest opened in 1962, at least one new scene has been created. A nature walk has also been added.

Confidence is what you start off with before you completely understand the situation.

Olympic stamps will be issued

Three Olympic commemorative stamps featuring the significant ceremonies of the Games, the Flame Lighting, the Opening, and the Victory, will be issued by Canada Post. The announcement was made recently by Postmaster General Bryce Mackasey.

The Olympic series of 35

BRING A BAG ABOARD

Outdoor recreation enthusiasts find plastic trash bags useful minus their normal complement of garbage, of course.

The large plastic sacks used in cities to make garbage collection cleaner and easier have many uses when applied by innovative outdoorsmen to fishing, boating and camping.

For example, a change of clothing is a welcome sight to an angler who has been caught far from his dock when a sudden rain storm moved over the lake. There is nothing more uncomfortable than fishing in wet clothing, and the Mercury outdoor fishing experts meet the situation by keeping extra trousers, shirts, caps, lightweight jackets, and towels in a plastic bag that is stored under the front deck of their boat. It's always there, and the dry clothing gets used frequently.

Another trick they've learned is to protect their cameras and film from water by placing the equipment in an open-top trash sack. The large bag can be folded to keep spray and deck moisture from damaging the expensive gear, yet it leaves the cameras easily available when an action situation occurs that should be photographed.

Under normal boating conditions the cameras are in the bag and the top is left open for easy access. If it rains, or the water becomes rough, the bag is sealed with a wire twist.

Boat campers use plastic sacks to hold sleeping bags, food, clothing, and metal items sealed so unwanted water can't dampen their equipment and spoil a weekend outing.

Of course, there's no reason to overlook the original intended use of these all-purpose plastic bags... and that's to hold trash. You can help eliminate the litter problem seen on many lakes and streams by keeping a trash bag aboard your boat.

stamps, the largest ever undertaken by the Post Office, began in the Fall of 1973 and concludes with the issue of these stamps. In this final issue, a total of 35 million 8-cent, 14 million 20-cent, and 11 million 25-cent stamps will be printed and will be available June 18. The stamps will be printed by Ashton-Potter Limited of Toronto.

The design of the ceremonies stamps is by Toronto artists Peter Swan, whose work has appeared on other Canadian postage stamps. The 8-cent denomination depicts the transfer of the Olympic flame from Greece to Canada via satellite; the 20-cent shows the Olympic flag being carried in the opening ceremony; and the

25-cent denomination pictures three athletes receiving their Olympic medals.

"This Olympic series of stamps has made a major contribution to Canadian recognition of the hopes and achievements of young athletes around the world and the ideals of the first Olympic competitors," said Mr. Mackasey.

Collectors are advised that the Olympic Track and Field stamps (issued June 11, 1975) are available at philatelic counters and through the Philatelic Service only until June 11, 1976. Thereafter, these stamps will be available only in semi-annual packs of single stamps or annual Souvenir Collections of commemorative or special issue stamps.

SKYHAWK SOMMERSAULT. Two members of the "Skyhawks," the Canadian Forces Parachute team, practise free-fall manoeuvres here in preparation for a Canada-wide tour. Master Corporals Howie Kochanski, left, and Bill Greenshields, plus nine other teammates are performing at air shows and exhibitions in 21 communities over the next five months. The Skyhawks are members of Edmonton-based airborne units. [Canadian Forces Photo]

Hydro planing begins new season

The Alberta Power Boat Racing Association would like to invite you to come out and enjoy the races. Our main aim this year is to heighten spectator participation in Hydro Plane Racing in Alberta.

We have been trying to inform the people in the Edmonton, Leduc and Wetaskiwin areas that we put on a terrific show of racing almost every weekend during the summer.

Our races include all the thrills, spills and flips that

you see televised in races from the States. Also most of our drivers participate in those races.

In the past we have written radio stations and the television media along with newspapers in hopes of letting the public know they can see these races first hand, just a short distance from Edmonton, Wetaskiwin or Leduc.

If we can get a good number of spectators who enjoy the races we can go on to find sponsors to sanction (insure and put up prize

monies) some of our races. If we can get to the point of sanctioning some of our races we will be able to

attract Hydro's from more distant points (all over western North America) as the drivers will haul long distances to a point and payment meet. This also means our races will become a lot larger and even more interesting as it would make it worthwhile for a larger SJ and Inboard Classes to race here rather than travelling down to the United States to race.

We are hoping that by 1979, if we can get the aid of the public, to hold the Stock Outboard Nationals - the biggest stock hydro race in North America - right here at Coal Lake. In the future we hope to host the Nationals and other major races.

Our race schedule for 1976 is as follows:

May 22, 23 and 24; June 5 and 6; June 19 and 20; July 3 and 4; July 24 and 25; July 31, August 1 and 2; August 21 and 22; September 4, 5 and 6.

These dates are subject to change and very dependent

upon the weather.

This is excellent entertainment for the whole family. Weekend campers are also welcome - bring your own water, etc. as we have very little in the way of facilities as yet. Our only drawback is the weather as it is very dangerous to run the races if the wind is too strong. We also have classes available for the average

family pleasure boat if we can get enough to make up these classes.

The lake is located about 11 miles south of Leduc on

MAKE A WORM RANCH

The few weeks in May and early June that comprise late Spring is the time to stock up on the universal bait that everyone knows will catch fish . . . worms.

As summer progresses, the ground dries and common earthworms go deeper in the soil to find the moisture they must have for survival. Digging worms becomes more difficult.

You can assure a constant supply of worms by doing your digging now, and holding them in a worm "bed" such as that used by the anglers in Mercury outboards' outdoor recreation department.

To frame the bed, find an old wash tub and cut out the bottom, or make a wooden box that is at least two feet square and 18 inches deep. Cover one end with fine-mesh plastic or aluminum screen.

Dig a hole beneath a shade tree, or on the shady side of a building, deep enough to hold the tub or box. Put two inches of large gravel in the bottom and fill the bed with a mixture of dirt and garden peat. The mixture will vary somewhat because of different soil texture. The idea is to make a dirt/peat mixture that is loose, easily worked between the fingers, and that won't compact in the bed. Moisten the bed with a half-gallon of water and put the worms in about four inches below the surface. Cover the top

Highway 2A, then six miles east, at the sign "Power Park" (north from Wetaskiwin then east at the sign "Power Park"). Anyone in-

terested in becoming involved in the boat racing scene, please call Sandee Smith at 467-2598 for further information.

with several inches of loose straw, hay or old leaves. This keeps the bed cool and moist.

Water frequently throughout the summer, and feed the worms a diet of cereal (oatmeal or ground corn) and a table-

spoon of sugar mixed into the top few inches of soil at the rate of ¼-pound per week.

When it's time to go fishing, push the straw cover aside, dig a few inches and there's your bait . . . ready to go!

Junior tennis makes good start

The St. Albert Junior Interclub team started the season off on the right foot as they won over Garneau 6-2 in total matches in play at the Mayfield Tennis Centre last week. Playing for St. Albert were Karen Dunik, Wendy Stanley, Terry Smith, Luc Lefebvre, Rick Sadowny, Kevin Jackson and Kevin Sage. The interclub matches are held at the Mayfield each week and team members will be determined according to ladder standings.

The second annual junior high school tennis tournament was held on Saturday and Sir George Simpson successfully defended the St. Albert Sportshop trophy. Simpson finished the days play with a total of 11 points (1 point for each match won) while V. J. Maloney and Lorne Atkins each had six points. Playing for the winning Simpson team were Grace Peterson, Chris Odginga, Dave Boyd, Kim Boyd, and Kevin Jackson.

Marsh World

Ducks Unlimited (Canada)

STICKLEBACK - Four species of stickleback are found in Canada but only one, the Brook Stickleback, occurs in fresh water ponds, streams and marshes. It can easily be distinguished from minnows by the sharp spines on the back, forward of the dorsal fin. Pugnacious for their size (2½" in length), they will fearlessly attack larger fish. During the breeding season, the male constructs a conical shaped nest by attaching grass blades and fibres to the growing stalks of aquatic plants. Eggs are deposited by several females and fertilized by the male, who then stands guard at the nest until the young emerge.

Sturgeon Gazette

Report from Parliament Hill

By Stan Schellenberger MP
Finance Minister Donald Macdonald brought down his first budget in the House of Commons, announcing measures designed to strengthen the effect of the anti-inflation program on corporations, to tighten requirements for unemployment insurance benefits and to impose taxes to prevent wasteful consumption of energy.

The budget indicated no major changes in the Government's management of the economy - the Government believes that the economy will recover by itself and considers major tax cuts and business-capital investment incentives unnecessary at this time. It predicts that economic recovery will be sustained by the growth of exports as the economic situation in the United States and the world community in general improves.

Increased expenditures on housing construction, heightened consumer spending and a rebuilding of producers' inventories will all be expansionary forces in the economy.

Highlights of the budget are as follows:

TARIFF CHANGES

-temporary tariff cuts initiated in 1973 on a wide range of consumer products (e.g., prepared cereal foods, canned meats, raw and refined sugar, drugs, etc.) will be extended for another year to June 30, 1977, with the exception of two items - tires (and tubes) and scissors. New cuts are being introduced on a temporary basis on fresh pork, ham, bacon and macaroni.

ENERGY CONSERVATION

-effective immediately, the two year 100% tax write-off for exploration costs now available only to companies whose main business is oil or mining will be extended to cover equipment which enables industrial wastes to be used as a fuel source or which produces energy from garbage.

-also effective immediately, the federal sales tax will be removed from many items which contribute to energy conservation or which encourage the development of alternate forms of energy - e.g., solar furnaces and heating plants, wind-power-

ed generating equipment and heat pumps.

-again, effective immediately, a specific excise tax of \$100 will be imposed on air conditioners for use in cars, station wagons, vans and smaller trucks.

-to encourage production of lighter, more energy-efficient cars, the present excise tax on heavier cars will be increased in four stages between 1976 and 1979.

The weight threshold above which the tax applies will be reduced over this four year period from 4,500 to 3,500 lbs. for cars and from 5,100 to 3,700 lbs. for station wagons. Annual reductions will be 250 lbs. for cars and 350 lbs. for station wagons commencing this August. In addition, the applicable rates will be increased.

PERSONAL INCOME TAX CHANGES

-allowable deductions for the expenses of child care will be doubled - deduction per child to \$30 a week or \$1,000 a year from \$15 and \$500 (maximum deduction per family to \$4,000 a year from \$2,000).

-maximum annual deductions by employers and employers for contributions to registered pension plans will be increased to \$3,500 from \$2,500. The same increase will be applied to registered retirement savings plans where a beneficiary also belongs to a pension plan, and to employer contributions to a deferred profit sharing plan.

For a beneficiary of a registered retirement savings plan who does not belong to a pension plan, the annual limit is increased to \$5,500 from \$4,000.

-taxpayers paying into a registered home ownership savings plan will be able to shift plans from one institution to another.

AIR TRANSPORTATION TAX

-the Air Transportation Tax will be extended to travellers using Canadian airports who because they purchase their tickets outside the country do not now pay the tax.

SMALL BUSINESS INCENTIVE

-effective for 1976 and subsequent taxation years, profits of Canadian-controlled private corporations eligible for a reduced rate of tax will be substantially increased. The annual amount subject to the low rate will be increased to \$150,000 from \$100,000 and the cumulative total increased to \$750,000 from \$500,000.

CHARITIES

-under the present rules, technically no charity can carry on a business. However new rules will permit a

Please Turn to Page 24

FIRST RETIREMENT at the Sturgeon General Hospital, Violet Alexander (second from right) got a nice surprise at the hospital last week. She was presented with a battery operated clock for service to the patients of the Sturgeon General from 1970 to 1976. Also in the picture from left are: Head Nurse in the operating room Sylvia Reynolds, Director of Nursing Pauline Fleck and Hospital Administrator Cliff Keyes.

New faces in Sturgeon

There are a couple of new faces around MD of Sturgeon offices these days.

Jim Soldan has just come into the District Agriculturist's office as Assistant District Agriculturist for Sturgeon. Mr. Soldan is a native of Two Hills, Alberta and a recent graduate of the University of Alberta in animal science.

He will help District Agriculturist Wally Klatt organize material and educational programs to aid farmers in the district. Mr. Soldan's university training involved courses in plant and soil science, agricultural economics, engineering and farm management among others.

Another new face on the Sturgeon Regional Recreation scene is new Assistant Superintendent of Regional Recreation Larry Kirkpatrick.

Mr. Kirkpatrick holds credentials from the University of Alberta in Recreation Administration. While at the University of Alberta Mr. Kirkpatrick gained some experience as a sports manager. He is an avid curler and also likes to umpire baseball and referee at hockey.

He will be responsible for

organizing sports and athletic programs along with setting up umpire and

coaching clinics and special sporting activities communities may have in mind.

Hospital Briefs

Following are some of the highlights from the regular meeting of Sturgeon Hospital #100, May 27.

FOLLOWING THE CLOSURE of the third floor at the Sturgeon General Hospital, all patients affected have been moved to the other floors. The third floor will re-open this coming September and had been closed as an economy measure. It is anticipated the closure will save about \$60,000 in nursing staff costs.

And on the fourth floor, hospital officials say a two bed temporary intensive care unit has been set up.

THE ALBERTA HOSPITAL SERVICES Commission has asked the Sturgeon General to document blood gas analysis procedures at the General Hospital. Approval for the tests in a

hospital laboratory has already been given by the AHSC.

Villeneuve picnic reminder

A reminder that Villeneuve will have its annual picnic June 6th (Sunday). There will be ball games, bingo, a concession booth, a hot dog booth, a fish pond and races for the children. A hot supper will be served later in the day. This will be \$3. for adults, children 12 and under \$1.50; pre-schoolers 75 cents.

Spotlight on Sturgeon Sturgeon and Fort hospital districts may unite

By Jim McIntyre

It only came up at the Sturgeon Hospital District #100 board meeting as an information item last week, but the item holds interesting ramifications for the development of hospital services in the Fort Saskatchewan, St. Albert and Sturgeon areas.

Apparently, after some exploratory meetings between officials of the Fort Saskatchewan and Sturgeon Hospital Boards, there are indications that both boards favour a joint approach to hospital administration, a line which could hold out definite advantages to the Fort.

Chairman of the Sturgeon Hospital Board John de Bruijn feels that under the joint approach, there will be advantages in the training and education of staff and even a joint payroll system could be developed.

Fort Saskatchewan recently had a 50 bed hospital but this has been cut to 42. With the introduction of an eight inch steel waterline to the village of Gibbons and the corresponding growth this will bring the community, Fort Saskatchewan might be more tempted to go in with Sturgeon as the pressure on hospital services mounts.

And from the Fort side, there is talk of more big industry moving into that area; this is bound to bring more people, and therefore a demand for greater services.

A joint venture by the two hospital boards looks like a good idea on paper, but it is still very much up in the air right now. The Sturgeon Board will have to talk with the Alberta Hospital Services Commission before there can be any real progress. Also, the joint approach would put a lot of meat on the already full plate of Sturgeon Hospital Administrator Cliff Keyes.

If the scheme looks like getting too ambitious, the Sturgeon Board has decided to leave open the escape hatch. And board member Clay Crozier was quick to advise caution in the situation with hospital services in both districts growing fast.

Cardiff recreation area under development

Reclaiming, levelling out and putting in building spots at the Cardiff Park Recreation site continues to be done by the MD of Sturgeon.

An MD of Sturgeon official said this week another \$100,000 worth of work is being done on the recreation park project. Already, right across from Cardiff hamlet, a mile long, 66 foot wide road has been put in to the site.

The park, when it is ready, will cater for all kinds of activities, like golf, skating and snowmobiling in winter, camping, picnicking, and fishing.

There will also be facilities for baseball, soccer and skiing, as well as a special equestrian area. A Steering Committee of Councillor Clay Crozier, Superintendent of

Sturgeon Regional Recreation Laurent Coulombe, Superintendent of Public Works Robert Stack and J. R. Shelley and Associates has been appointed to organize

the development of the park. The committee will also look into the possibilities of getting extra grants from the Provincial Government to help build the park.

Cabbage rolls featured at Frontier Daze

By Marg Bentz
Nobody knows for sure how many cabbage rolls Anne Kryskow has made for Morinville Frontier Daze, but it is unanimously agreed, they all were delicious. Anne and her cohorts are in a beehive of activity getting foods ready for International Foods, which we will all be

able to enjoy on June 26 and 27. Mrs. Kryskow is only one of the legion of volunteers who help make our fair one of the very best and is certainly very much appreciated as are all the many individuals and businesses who donate so much time and effort to make Frontier Daze possible and so very enjoyable.

Gymkhana to be held during Morinville's Frontier Daze

By Marg Bantz
Legal Poncho Riders will be making club history when they co-host Morinville Frontier Daze Open Trophy Gymkhana this June 26 and 27th. It will be the first time Legal's riding club will host a show away from home.

Poncho Riders were formed nine years ago. They put on a show in their first

year for Legal's Fete au Village, which was so successful it has re-appeared bigger and better every year, drawing people from all across the province. 1976 is another milestone for the club, who have so generously agreed to aid Morinville in our annual fair.

President Dave Shelton heads the Poncho Riders

with assistance from Vice-Presidents Rene Shank and Bill Stapleton, and Secretary-Treasurer Marlene Shank.

Those interested in entering this year's gymkhana in

Morinville, should contact Marlene Shank, Box 13, Legal, phone 961-3803. The two-day total point horse show will be run under Edmonton Gymkhana Association rules, featuring four

events in four categories (mens, ladies, intermediate, juniors). Top prize to "High total point Rider" will be a beauty of a black saddle, trimmed in silver, which can be seen this week at the new

Red Rooster Store in Morinville. The saddle was provided through the co-operation of Morinville Frontier Daze Association and Ernie Bouchard of Western Corral, Wainwright.

Parliament Hill

Cont'd from Page 23

charitable organization or public foundation to carry on a business activity if it is related to the charitable objectives of the charity.

UNEMPLOYMENT INSURANCE

-the present requirement for eight weeks if insured employment to qualify for

benefit will be increased to 12 weeks.

-the number of weeks during which benefits may be drawn will be more directly related to the number of weeks worked, and regional extended benefits will be more sensitive to regional unemployment.

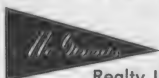

-severance pay will not affect eligibility for unemployment insurance benefits.

employment insurance benefits. -the administration of the unemployment insurance

systems and Manpower Canada's programs and services will be integrated.

By Marg Bentz
The United Church Ladies annual "Get-Acquainted Tea" and bake sale held last Thursday, May 27, was a huge success. The ladies would like to thank all those people who supported this event by bringing baking and leaving donations at the bake table. Because of your generosity, the Ladies Aid were able to present the Ambulance Fund with a cheque for \$73.85, the net profit from the bake sale. A special thanks goes to Mrs. Faye Middleton, the busiest lady of the day, for reading tea cups and palms from opening at 2 p.m. until closing at 5 p.m.

Blood Donor Clinic will be held on Tuesday, June 8th at 7 p.m., at the Recreation

Centre. For more information call Gaby Ricard at 939-4197.

Frontier Daze committee is still looking for a ladies washroom attendant for Frontier Daze. For further information call Jean Robinson at 939-4153 or Allan Bentz at 939-4145.

Don't forget that next Sunday, June 6, the United Church Service and Sunday School picnic will be held at the International Building on the Frontier Daze grounds, starting at 10:30 a.m. The picnic lunch will be "pot luck." There will be races and games for the kids from ages 1 to 97, so come on out for an afternoon of fun. For further information, please call Marge Rockwell at

939-4188.

A film on alcohol and its abuse will be shown on Monday, June 14, at 8 p.m., at the International Building. A guest speaker will also be present. Everyone is welcome!

Congratulations to Bob and Elaine Craig on the birth of their first child, Jacqueline Julie Marie weighed 7 lbs. 3 ozs. and arrived at the Royal Alex Hospital in Edmonton at 9:06 p.m., on Saturday, May 29, 1976. Godparents to the wee bundle of joy will be Danny Craig and Julie Himschoot. Proud grandparents are Albert and Lorette Craig and Octave and Rolande Himschoot.

The "Mid-Summer Bonspiel" will definitely be held

for the first time in Morinville on the third and fourth weekend in June, 1976. Finals for this inaugural event will be held in conjunction with Frontier Daze. Over \$2,000 in prizes will be given, with first prize being TV's. Entries may still be mailed to Colleen Brisson, Box 455, Morinville.

The new multi-purpose building will be named to night June 2nd at the Ag. Society regular meeting.

Judging by the lineups in front of Drayden Insurance, everyone in Morinville and district should have their new license tags by now. Perhaps next year, we'll all remember to shop early.

Last month of school is

upon us; summer holidays are in sight; and Frontier Daze are only 23 days away! Anyone interested in displaying their handicrafts during Frontier Daze should contact Rhonda Stapleton at 939-4827. A home baking competition will be held in conjunction with arts and crafts.

Morinville Early Childhood Association annual

meeting will be held on Monday, June 14, at 9 p.m., at the Rectory. All members of CWL and MFC are welcome to attend.

Reader's co-operation in telephoning or bringing in news items is much appreciated and as early in the week as possible. Please phone 939-4145 or stop in at 9901 - 99 Avenue (directly behind the Red Rooster).

Ambulance drive nets \$7,300 but more needed

By Marg Bentz
Ambulance Drive was successfully kicked off last Friday, (May 28) evening by a large crowd of well-wishers. Main street (by the town office) was completely blocked off and oldtime fiddlers added greatly to the merriment. From 7 to 9:30 p.m., singing, music and a real hoop-de-loo was enjoyed by all. Contributions received to date have been \$7,300 towards the \$14,000 unit. The people of Morinville and area have shown great enthusiasm for our new ambulance and are helping to make the drive very successful.

As of June 1, 1976, the ambulance will be fully manned and ready for 24 hour service. The emergency phone number is 939-4422 and this number should be put immediately in the front of your phone book. The ambulance provides quick, reliable transportation with first aid treatment. Nine volunteers, consisting of six women and three men, have been trained and are ready for duty.

The support of the people has been terrific so far but more funds are needed. All homes in Morinville, and within a six mile radius will be visited and your donations

will make this drive successful. With the combined effort of local groups and the general public the ambulance should be completely paid for by the end of June. It is hoped a "hand over" ceremony will be held the first part of July. Meetings

are held every second and fourth Wednesday of the month and everyone is welcome. Your donations may be dropped off to Ed Natray at Beaver Lumber or sent to Art Stapleton, Box 328, Morinville or Agnes Bokenfor, R.R. 1, Morinville.

Two of the nine Morinville Ambulance attendants, Florence Vranas (left) and Claire Casavant, are modelling their official uniforms in front of the new ambulance which was put into service yesterday. The ambulance drive has brought in \$7,300 of the \$14,000 needed to pay for the service.

Horse Hill News

Farewell afternoon program Friday, June 11th, 2 - 5 p.m., in Horse Hill School Gym for Mrs. Marivonne Speer. All former students and parents are invited to come and wish her well on her retirement.

A long time resident of Horse Hill, Mrs. Speer has been with the Sturgeon School Board for 25 years with 20 of the 25 years being with Horse Hill School.

Coffee will be served following a short program by the school children.

June 12 and 13 our annual Sports Day featuring baseball with games beginning at 10 a.m. Games of chance, horseshoes and games for children. Dance Saturday evening, June 12 - \$10.00 per couple. Get your tickets from Dave Zaychuk 973-5395 or Floyd Cruden 973-5792.

Namoo News

By Norma Crozier

NAMAO GIRL GOLD MEDALLIST

Miss Audrey May Gibson of Namao was the winner of the U of A Alumni Gold Medal in Physical Education for top academic honours in that faculty graduating with an 8.9 average. Audrey is the daughter of Mrs. Gladys Gibson and attended Namao School and M.E. Lazerte High School. She has enrolled in spring session in order to obtain a teaching certificate to enable her to teach phys-ed at the junior high level, the age group she enjoys working with. Congratulations to Audrey for this outstanding achievement.

Next Sunday is Rural-Life Sunday for the congregation of Namao, Bon Accord and Patricia United Church. A joint service will be held in the Bon Accord Community Hall 11 a.m. to be followed by lunch. The service will be contemporary in style and setting, a stimulating experience for all who attend.

Church services for the summer will continue until July 18. There will be no services on July 25 or during the month of August.

Vacation School is planned at Namao for two days in the week of July 19.

Namao UCW will hold their June meeting at the home of Mrs. Norma Crozier on June 9th at 1:30 p.m. All interested ladies are invited to attend.

A shower was held in the Namao Community Hall on May 26 honoring Mrs. Sherry Crozier, the bride of Lee Crozier, from Winston Salem, North Carolina. On behalf of everyone present Mrs. Norma Crozier welcomed Sherry to Namao Community and presented her with the basket of gifts. Mrs. Carol Robblee and Miss Barbara Edwards assisted the bride in opening her gifts. Everyone enjoyed the

delicious lunch conveyed by Mrs. Betty Samis.

The Namao Junior Badminton Club held their wind-up tournament on May 7 in the school gymnasium. Winners were:

Girls singles - Wendy Vaulchuk winning the Kodak Electric trophy and a \$10 Olympic coin.

Boys singles - Barry Rye winning the Johnny McNeilly trophy and a \$10 Olympic coin.

Winners of the boys and girls doubles for a \$5 Olympic coin were: Laurie Porter, Kim Shandro, Jack Henderson and Scott Stanton, Club leader Mrs. Leona Gauthier reports a rewarding and enjoyable year.

NAMAO FARMER'S DAY HORSE SHOW

Namao Farmer's Day Horse Show for 1976 will be held on June 5 and 6 at the Namao Gymkhana grounds. On June 5 line classes will begin at 8 a.m. Between 12 and 1 p.m. the Klondyke Mounted Square Dancers will perform. The Lazy B Stables will give a team roping demonstration. In the evening a gala smorgasbord and dance will begin at 7:30 p.m. In the Namao School gymnasium, June 6 will start with a sun-up breakfast at 6:30 a.m., followed by performance classes and trail classes beginning at 8 a.m.

Due to the generosity of donors first place trophies will be awarded and ribbons to sixth place.

Come one and all join in the fun of the Farmer's Day horse show.

Past entries for the show will be accepted until 7:45 a.m. at double entry fee.

Graduation exercises for M. E. Lazerte students were held on May 15 at the Macdonald Hotel. Namao students graduating were Noreen Bokenforh, Wendy Bowman, Douglas Eglini, George Gylpesi, Ross Horricks, Anna Huber, Johnny Kok, Katharine Nalbach, Tim Gauthier, Lanny Robertson, Gauthier Thirwell.

Lorraine Vaillant, Bradley Ward, Ted Zabelski.

Ross Horricks acted as master of ceremonies for the afternoon commencement exercises when the graduates were presented with their diplomas. Douglas Eglini proposed the toast to the teachers at the banquet held in the evening, which was followed by a dance, enjoyed by the students and their parents. Congratulations are extended to all the graduates.

AUDREY MAY GIBSON

G.P. Vanier places second at track meet

Last Wednesday's Conference Track Meet, held at Coronation Park, involved students from Paul Kane, G. P. Vanier, St. Albert High, Redwater and Legal high schools. The results of the conference were as follows: Paul Kane first with 448 points (school population of 800), G. P. Vanier second with 281 points (school population of 130). Out of the five age categories Paul Kane students won medals in intermediate and senior boys and G. P. Vanier won medals in junior and senior girls and junior boys. (Sherry Gibeault, Cheryl Mason and Scott Caldwell respectively).

Placing in the individual girl's events was as follows: junior girls - Sherry Gibeault was first in 100m. and 200m., discus, and long jump; Lisa Morin placed second in long jump; Denise Carignan placed second in high jump; senior girls - Rita Riopel was first in long jump, second in 80m. hurdles; Debbie Bryan was second in 200m., Cheryl Mason placed first in high jump, shot put, javelin and second in long jump; Karen Gibeault won a first in discus; second place was taken in the girls open relay.

The boys held up well and placed in many events: junior boys - James Dardis placed second in pole vault; Jeff Mulligan won first in 800m., Scott Caldwell placed first in javelin and second in triple

jump; senior boys - Ray Short was second in long jump and triple jump; intermediate boys - Don Proulx was second in discus; first place in the boys open relay was taken; junior boys relay team placed second and the intermediate boys placed second.

Sherry Gibeault was the overall high performer in all the girls events.

Thirteen students placed first or second at the conference level and went on to compete at the Zone Meet held last Saturday at the South Side Seona Track (Commonwealth Games Track). Two students did exceedingly well and will be going to the Northern Alberta Regional Provincial Championships at Peace River. The students involved are Cheryl Mason, who placed first in javelin, second in shot put, third in high jump and fourth in long jump, and Sherry Gibeault who placed first in discus and 200 m., second in 100 m. and third in long jump. Should either of these two girls place first or second at this meet they would advance to the All Alberta Provincials on June 12 at the South Side Seona Track.

The junior high meet will be held this Friday from 9:30 a.m. until 3 p.m. and the Regional Junior High Track Meet will be held on June 9 starting at 4 p.m., ending at 8 p.m., unless it rains.

Legal Locals

By Connie Maurier
Roger and Yvette Gagne and Denis and Marie Anne Limoges motored to Lloydminster (City of the Year) for the 66th Alberta Provincial Knights of Columbus convention.

Roger Gagne was honored as first delegate and Denis Limoges was honored as the second delegate of Legal into joining 220 other delegates at the convention.

The ladies were provided with tours of Lloydminster, a model home and the rapeseed plant. They were privileged with two great luncheons with all the trimmings while the men were having serious deliberations.

On Saturday, May 22, the men lunched with guests such as the CWL representative, Federal and Provincial politicians and the City of Lloydminster dignitaries. Their speeches delegated Alberta's KC's into continuing their fine work in community projects and providing exemplary conduct in today's society.

A mass was held Saturday for all the departed KC's during year 1975-76. A banquet and dance was held Saturday night where a KC car was raffled. The lucky winner was Mr. C. Beaudry of Lac La Biche.

Beautiful weather added to make it a most enjoyable weekend.

Roland and Collette Biledeau are proud to announce the arrival of their third child. Born on May 26 at the St. Albert Hospital, the new baby girl named Jeannette weighed 8 lbs. and 1 oz. She will be sister to Ronald and Yvonne.

LEGAL HOTEL UNDER NEW MANAGEMENT

The Legal Hotel has just recently changed owners. On May 22, Gilbert and Lea Thomas officially became the new managers. They moved to Legal in the Hotel's living quarters along with their two boys, Gordon, eight years old and Gilbert six.

Gilbert and Lea are not new in this line of work. They left behind the Faust Hotel, a place between Slave Lake and Grande Prairie. The hotel there was approximately the same size as the Legal Hotel. After 15 months at Faust they both decided to try out a business closer to Edmonton, where they would also be closer to their relatives.

Mr. Thomas kept the same employees as before. He said that if everything turns out he will be making renovations in the near future. He

would like to bring in a pool table for added enjoyment for his customers. He also mentioned that he would try

some live entertainment twice a month.

The grand opening is scheduled to be on June 4

and 5. There will be a band called "Marty and the Mustangs" from Edmonton playing.

Gilbert and Lea Thomas are the new proprietors of the Legal Hotel, taking over the management from Rene and Rose Georget on May 22. Their two sons Gilbert, six years (left) and Gordon, eight years moved to Legal with their parents from Faust.

Big names at Hereford conference

Federal Agriculture Minister Eugene Whelan, Premier Peter Lougheed of Alberta and Saskatchewan Premier Allan Blakeney have each confirmed their attendance at the 7th World Hereford Conference in Ban-

ff, June 28 to July 2.

The agriculture minister will officially open the international conference on June 29. Premier Lougheed also will address the 32 country delegation that day. The Conference will be officially closed on July 2 by Premier Blakeney.

The World Hereford Conference marks the meeting held every four years of the World Hereford Council. This international organization has been fostered

and promote universal interest in this world-known beef breed and to open international trade channels.

The Canadian Hereford Association is hosting the event which is expected to draw more than 1,000 visitors. Banff agenda items will deal with all aspects of the Hereford industry, including the topics of genetic research, performance testing, exports and marketing, and world-wide promotion of the breed.

Hall of Fame nominations open

Nominations are again welcomes for the Alberta Agricultural Hall of Fame, announces Marvin E. Moore, minister of agriculture.

Albertians who have made important contributions to the development of agriculture in the province or elsewhere in Canada, and who hold Canadian citizenship, are eligible for nomination.

"Recognition in the Agricultural Hall of Fame is the highest honor Alberta Agriculture can bestow on an individual," says Mr. Moore.

Nominations to the Hall of Fame will be accepted until July 1. Nomination forms are available from district extension offices throughout the province, or from Alberta Agricultural Hall of Fame, Communications Branch, Alberta Agriculture, 9718 - 107 Street, Edmonton, T5K 2C8.

Supporting evidence of a nominee's contributions should accompany each entry, and those making nominations are asked to include a brief history of the nominee's life in Alberta.

Vimy News

By Lea Limoges

Lucille and Leo Ringette are happy to have won a trip to Hawaii for two weeks in December through Anway. Congratulations.

Little Robin Taylor was a patient in the Sturgeon Hospital for a few days last week.

Rick and Emilienne Landry and family spent the long weekend in Radium, Leo and Darlene Provencal, Emi and Yvonne St. Arnaud and their families were at Lac La Biche, George and Gloria

Dubois and family went to Cross Lake, and Rick and Bev Limoges were at Skele-ton Lake.

Karen Limoges is in the Sturgeon Hospital, we hope you'll be better real soon.

Rolly and Merle Fagnan from Fort McMurray were weekend visitors at Phillip and Aurelie Fagnan and Paul and Irene Regimbald.

Mr. and Mrs. Ed Sabourin and Mr. and Mrs. Phillip Shank returned from a tour

in Europe on May 11. Here is a report of some of the highlights of their trip. In London for one day they saw the changing of the guards at Buckingham Castle and also the official residence of the Queen. From Harwick they travelled by boat to Hook of Holland, then by bus thru Holland, Belgium and Germany. In Luxembourg they visited the Memorial Monument to the U.S. Soldiers of World War 2. From Heidelberg they travelled thru the Black Forest to Switzerland. While in Luzerne they went 7000 feet up into the mountains in the ski lift. There they saw thousands of skiers of all ages. They visited the Principality of Leichtenstein where the Baron welcomes all the tourists in person. This is an in-

dependent country 65 square miles in the mountains. They toured Innsbruck, the Olympic city, then the Italian Dolomites, the Rocky Mountains of Europe, to Venice the city on the water, to Florence, a very ancient and historical city with many old and beautiful churches and monuments. They toured the Isle of Capri then on to Naples and Rome for four days, they went to St. Peter's Square where they witnessed the Pope's Blessing, which takes place every Sunday at 12 noon. They went to Monaco, saw the Rainier Castle and spent half an hour in the casino. They then spent two days in Paris, visiting Versailles and all the interesting sites too numerous to list. At this point they left the tour and set out on

their own, they visited Lourdes where there were thousands of people. Back along the coast to Longonnet in Brittany to meet relatives. Jeanne and Madeleine met six first cousins and spent three days there and in Paris getting acquainted. They enjoyed their trip and recommend to anyone who has a chance to go, not to hesitate, it's well worth it.

Lea and Rolly are happy to announce the arrival of their sixth grandchild, a little boy, born Sunday, May 23 at the Immaculata Hospital in Westlock. Proud parents are Ed and Claire Victor.

Mr. and Mrs. Jim Henderson had as weekend visitors Barb's sisters Linda Mathews and boys and Diane Regner from Calgary.

Mrs. Fleuriska Fortier passed away on May 18th in the Westlock Auxiliary Hospital at the age of 88 years. She was a resident of Vimy from 1908 to 1966 when she moved to the Chateau in Legal. She was predeceased by her husband Aime in 1949 and a daughter Germaine St. Arnaud in 1966. She is survived by one son, Albrede

of Vimy; three daughters, Mrs. F. Cloutier (Juliette) of Westlock, Mrs. Wilfrid Provencal (Gertrude) of Westlock, St. Gabrielle Fortier of Edmonton, 19 grandchildren 40 great grandchildren; one sister Mrs. Laura Fortier of Edmonton, one brother, Le-on Riopel of Morinville. Prayers were held Wednesday night May 19th in Vimy Roman Catholic Church where funeral services were held Thursday, May 20th at 10:30 with Father Viel officiating.

Palbearers were grandsons Roland and Maurice Provencal, Laurier Fortier, Lucien Cloutier, Denis and Gilbert St. Arnaud.

Interment in the Church Cemetery in Vimy.

New Altai wild ryegrass

A new Altai wild ryegrass recently licensed by Agriculture Canada has the potential to extend the cattle grazing season through late fall and into winter in Western Canada.

Called Prairieblend, it is the first grass of its kind to be licensed in the world. Seed is now being increased by the Canadian Forage Seed Project and should be available to farmers in 1979.

New book on weeds

The publisher has already ordered a second printing of a new book on weeds recently prepared by Gerry Mulligan of Agriculture Canada's Biosystematics Research Institute in Ottawa. The first 18,000 copies of the bilingual paperback, called 'Common Weeds of Canada', rolled off the presses in January. The book contains more than 100 full-colour photographs, descriptions and histories of common weeds.

MORINVILLE

Bon Accord News

By Sadie Allen
Ladies -- If you would like to play softball just for fun with no league schedule a Ladies Fun Football Club is

being organized. All that is needed are a few more players and a volunteer coach. Anyone interested? Call Shari Kinjerski, 921-

3580 or Sandi Samis 921-3739

A reminder that Rural Life Sunday is scheduled for the Bon Accord Community Centre on June 6th at 11 a.m. This includes the three charges of the United Church. Everyone interested is welcome to attend.

Bon Accord Senior Baseball boys chalked up another win in league play on May 26, downing Legal at Legal. The boys will play at Morinville on June 9 with a home game scheduled against Westlock on June 16.

Senior ladies have a home game scheduled against Oliver on June 10.

Grade 1 students held "Farewell to Bon Accord School" exercises on May 28. The theme of the evening was "Where are you going to?" Mistress of ceremonies, Carmen Carleton welcomed the guests. Lorna Carleton played "O Canada to open the ceremonies. A lovely banquet planned by the students with the help of Mr. Goulet was served by grades 7 and 8 students. Speeches by Mr. Broemling, school principal and Mrs. Bielecki, area trustee followed the meal. Mr. Hefel introduced members of the various sports activities. Mr. Goulet presented members of the graduating class: Robin Robinson, Joyce Woywitka, David Kreway, Karen Ingle, Rick Kreway, Stephen Christiani, Teresa Engley, Brian George, Terri Brown, Mary Simon, Stephen Saunders, Janet Mulligan, Mary Anne Moreau, Vivian Owen, Margaret Meijer, Joyce Zedran, Peter Borowitz, Brian Forsland, Murray Pawluk, Brian Bland, Bill Rigney and John Chubb. Special guests included Mr. and Mrs. Toane, Mr. and Mrs. Bowman and Mr. and Mrs. Krupa from Gibbons, Mrs. Toane, Mrs. Bowman and Mrs. Krupa all having a hand in piloting the original 10 students of the class through their first years of schooling, and Mr. and Mrs. Pasemko.

Anglican Church Women met at the home of Rita Milligan on May 26. The club is dressing a baby doll which

will be raffled later in the year.

A joint meeting of the ACW's of St. Michael's, Gibbons, Bon Accord and Redwater will be held at St. Michael's Parish Hall on June 15 at 8 o'clock. Anyone interested in attending may contact Diane Hartley at 921-3512 for information. Church service at Holy Trinity on June 13 will be held at 7:30 p.m., and will be followed by the vestry meeting. On June 20 a parish picnic will be held at the Bon Accord Sport's grounds. Make a date for that day.

Tiny Tots enjoyed a field trip to the city on May 26. The children were entertained by two members of the Edmonton City Library and thoroughly enjoyed themselves. A stop at Dairy Queen on the way home rounded out the trip. Teachers in charge of Tiny Tots, Mrs. Hilda Milligan and Mrs. Diane Hartley wish to thank all the mothers for their tremendous help and support during the past year. A wind-up picnic was held in the park on Thursday morning with next year's play-school children and their mothers as special guests. A temporary playschool executive composed of Linda Ross, 921-3785, Susan Creusot, 921-3977, Ingrid Swenton, 921-3958 and Connie Lewis 921-3648, has been set up. Pre-registration for next term is now being taken by any of the above.

Interested in having your youngsters in ballet? Linda Ross will be teaching ballet this coming fall and is now taking registrations.

A kindergarten meeting was held in the school library on June 2. If you missed it and are interested call June Serediak for further information. Phone number is 921-3589.

Coaches -- if you wish to have the results of your games in the paper, please call me at 921-3813. News items are appreciated.

Gibbons News

By Karen Hogg
Tulips are still available from the Ladies Legion at 25¢ a bulb. Time is running out so pick them up soon. Phone Jeanette Petherbridge at 923-2265.

Clean-up day at the Anglican Church and cemetery will be on Saturday, June 5th at 1 p.m. Bring a fork along and rake down if you would like to help.

Well the Agri Fair weekend is a week and a half away. June 11, 12 and 13 are the dates for the extravaganza. Sure hope to see you out there! A flyer will be delivered to you with dates and time schedules.

Congratulations to Phil and Agnes Michaud who will be celebrating their 25th wedding anniversary this weekend.

Don't forget roller skating down at the Gibbons Arena. Skates can be rented for all sizes. Phone the Arena Manager Mike Boschansky for more information.

Our ladies football team just can't be beat! On May 25 against Oliver the girls won 31-7. On May 25 against Oliver the girls held up their streak winning with a score of 33-18. Coming up games are --

June 1 - Gibbons against the Fort Ladies; June 3 - Horse Hill at Gibbons; June 8 - Gibbons at Thorhill.

Come on out and support our girls. These are good games to watch.

I have moved out of Gibbons but I will still write for the Gazette. If you have any news please leave it at my Post Office Box 21 or leave your name and number

and I will get in touch with you. I will not have a phone until June 25th.

THE LAST ROUND-UP (Gibbons Senior Citizens)

A regular meeting was held on May 27th in the Hut. There were 37 members answered roll call and seven visitors - Sally Smith, Rosie Furhop, Elizabeth Williams, Teena Kosekelly all of Sherwood Park, Mr. and Mrs. Huckle of Chilliwack, B.C. and Jack Plumley of Namo.

Sally Smith showed slides but first asked everyone to sing "The More We Get Together" and "Waltzing Matilda." Her slides started in San Francisco and Disneyland. From there she went to Australia and Tasmania to visit members of her family. Her slides were beautiful, showing so many aspects of the country. Her commentary was very informative and most interesting. Emily thanked Sally and asked for a show of appreciation from the audience - it was most spontaneous.

Lunch was served. On lunch were Agnes Logan and Yvonne Pederson. Birthday cake was from Eileen Stirtor (Sunday School Clerk). May birthdays were Ethel Neilson, Emily Oliver, Yvonne Pederson and George Petherbridge.

Thank you notes were from Perry and Henderson families and also from Stan and Elsey Walker and family expressing thanks to the senior citizens for serving a lunch after Jim Cinnamon's funeral. There were also thank you cards from June Hood and Bert Petherbridge.

George and Annie Knight presented a framed list of men from the Sunnyside and Lunnon districts who had enlisted in the 1914 - 1918 war. This will be hung in the Hut for the time being.

Spring seeding not advised

Ranchers in the Kamloops, B.C. area are taking a risk seeding crested wheatgrass on rangeland in late spring.

Studies just completed at the Agriculture Canada Range Research Station there show that September is the best month to seed crested wheatgrass -- the most popular species for up-grading grasslands. Seedlings from early spring sowings have only about half the survival rate of fall seedlings.
